3 APPEALS ON ROAD DAMAGES IN 17 SUITS ON TRIAL LIST

Three appeals from the findings of boards of view on damages caused to farms by construction of the new Route 15 around Gettysburg are among the 17 civil suits listed for the May term of court by Prothonotary George F. Weaver.

The printed trial list for the term beginning May 18 was completed Monday and shows 10 actions in trespass, three appeals from decisions of boards of view, three actions in assumpsit and one equity case scheduled.

The equity action is the suit brought by Kenneth E. and Norman A. Hess, John L. Caufman, Luther M. and Emma J. Deaner, Dean E. and Beatrice G. Carey and J. Calvin and Grace M. Shank, all property owners in Seven Stars, against Hercules Alclor Chemical Company, operator of an aluminum chemical plant in Seven Stars, and John D. Settle and Robert H. Shull, the owners of the building in which the plant is located. The plaintiffs allege the plant emits chemicals in fog form which damage their properties and health. Attorney Donald G. Oyler is representing the property owners; Attorney Ronald J. Hagarman the chemical firm and Attorney Edward B. Bulleit, Settle and Shull.

CLAIM FARM DAMAGES

In accordance with the law, the appeals from the decisions of the board of view appear as appeals made by the owners of the properties, although some actually are appeals by the Commonwealth from decisions of the boards of view. Under the law the case appears before the jury as a fresh suit in which the jury hears the testimony and makes its own decision as to damages, without reference to any other action that may have been taken in the case.

The road damage suits listed for the current term are: A. J. and Ella C. Larmer, Fairfield R. 2, Freedom Twp., from whose farm 9½ acres were taken by the state for the new road, severing 84 acres of the Larmer property from the other 55 acres in which the farm home and buildings are located, destroying 2,185 feet of fence and 55 trees; John D. and Edna M. Eckert, Gettysburg R. 4, Straban Twp., where 21 acres were taken for road, severing 28 acres of the farm from the remainder, destroying 100 trees, 390 rods of fence and putting the right of way within 12 feet of the Eckerts' house and impairing water systems, and Milton L. and Mae Belle Sachs, Gettysburg R. 1, Cumberland Twp., where 20 acres were taken, severing 44 acres from the remainder of the property and doing other damage.

In each of the appeal cases

WILL REPEAT PERFORMANCE

Miss Nel Osthout, Dutch actress who collapsed April 12 during a performance of "The Chalk Circle," will present the program Wednesday evening at 8 o'clock in Christ Chapel at Gettysburg College.

Miss Osthout, a personal friend of Dr. and Mrs. D. L. Radsma, was unable to return to the stage after intermission during the presentation two weeks ago of the difficult performance in which she plays all the parts. She remained with Dr. and Mrs. Radsma during her recovery from fatigue and insistsupon presenting the entire program again here.

She began her career as an actress in Amsterdam, Holland. Since the war she has given solo performances throughout the world and has appeared numerous times in Scotland and England. In 1963 she toured India, where she presented a Tangore program for the president. She also has appeared many times before the royal family in Holland. In 1962 she toured South America and the Caribbean Islands and repeated the tour this past year. She is touring the U.S. in solo performances of "The Chalk Circle," and "St. Joan."

The public is invited to attend the Wednesday evening performance. There is no admission charge.

Vote Tuesday On Merger In Fairfield Area

Letters explaining the proposed merger referendum on which voters in the Fairfield Joint School System will vote Tuesday were scheduled for mailing today, members of the board were told Monday evening at a meeting in the new cafeteria of the Fairfield School. The letters, which will be mailed to every taxpayer in Liberty and Hamiltonban Twps. and Fairfield borough, explains the advantages of merger, the school tax structure and the manner of naming directors to a merged board. The letter was prepared by the merger committee of which Floyd Brown is chairman.

The board recessed Monday's meeting to reconvene April 30 to adopt the new budget pending the results of the merger vote Tuesday. President Joseph Lowe was in charge of the meeting which was attended by 10 directors.

NAMED CUSTODIAN

The board named David Sanders senior custodian of the school and retained him also as a bus driver. He will receive $4,000 for the combined jobs. Guy Sanders was engaged as the second custodian at a salary of $3,400 effective May 1.

Lowe appointed Harold Deardorff, Lloyd Sites and Ray Sowers to obtain further information concerning the cost of a plaque to be installed at dedication ceremonies May 17 after a letter from the architect revealed that the cost of the plaque was not included in the contract. The board was advised that the architect could obtain a plaque for $700. The committee will attempt to locate a marker for less money.

Assistant Superintendent of County Schools George Inskip commended the board on the new school addition and said, "You can be proud of the new

Auto Runs Into A Stalled Truck

A stalled truck and a brakeless car caused the second accident at Cross Keys since the new traffic lights were installed.

State police said Joseph Arnold Mong, 48, Smithsburg, Md., was driving a truck west on the Lincoln Highway when it broke down in the middle of the intersection at 8:35 Monday morning.

Shortly thereafter Lana Jean Mowery, 20, New Oxford R. 1, driving south on the Hanover-Carlisle Rd., arrived at the intersection, saw the stopped truck and applied her brakes. However, police said, the brakes failed and the vehicle struck the truck, causing $50 damage to it and $150 to the car.

Miss Mowery suffered lacerations of the knees but did not seek immediate medical care.

SPRING CHORAL FESTIVAL TO BE GIVEN FRIDAY

A new arrangement of "America, the Beautiful" written by Dr. Robert H. Fischer, a former Gettysburg resident, will be presented Friday evening during the annual spring choral festival of the Biglerville Junior and Senior High School music departments in the Biglerville High School auditorium.

Biglerville High School Principal Charles L. Yost said the arrangement made by Dr. Fischer will have its premiere at the program Friday. He described it as "a masterful arrangement." The Biglerville school obtained the music in manuscript form for its first public presentation.

Dr. Fischer is a professor at the Chicago Lutheran Seminary in Maywood, Ill., and is a son of the late Dr. M. Hadwin Fischer, former professor of Christian education at the Gettysburg Lutheran Theological Seminary.

In addition to the presentation of "America the Beautiful," the choral festival will also feature such all time Broadway show hits as "Carousel" and "South Pacific" by Rodgers and Hammerstein, "My Fair Lady" by Loewe and Lerner and "Show Boat" by Jerome Kern.

A variety of themes will feature Part II of the musical program including folk songs, spirituals and "The Creation" by Richter.

Van Clark, son of Mr. and Mrs. Dale Clark, Bendersville, will present an organ recital prior to the regular program.

INDIA LISTED AS POTENTIAL GREAT MARKET

India is a potential "magnificent market" for the free world's industry, but it needs "know-how" and capital to develop.

That was the theme outlined to the Rotary Club at its meeting Monday evening in the YWCA by Dr. M. H. Gopal, Mysore, India economist and now visiting professor at Western Maryland College, Westminster, under a Whitney-Fulbright grant. He is consultant on economic problems to the Indian government and for the fiscal division of the United Nations.

India is a nation of 450,000,000 with an average income of $60 a year, Dr. Gopal said, "and I think that figure is high." He asked the Rotarians to imagine the market that India could become for the "developed nations" if the average income of the Indians could be raised. "Now it is barely at a minimum existence level."

India's planned economy "has frightened off some investment" he observed, but added that India has a mixed economy and the government — "by its action is encouraging private enterprise. In fact it is encouraging foreign private enterprise by special tax concessions."

Because of its need to develop its resources swiftly India embarked on a planned economy in some fields where private enterprise did not adequately meet the needs of the country. "In fact capital development in those areas was not attractive." But in India "private enterprise plays a part as great as it would play if there were no planning whatever by the government."

India is doing all it can to increase the standard of living of its people "but it needs foreign investment and know-how," which he feels can come from the United States to a large extent.

Noting that foreign aid "some-

Two Idaville Area Men Fatally Hurt In Crash Monday At Harrisburg

Two Idaville area men were killed instantly and four others injured when the car in which they were returning home from work at the Rutherford Yards of the Reading Railroad was involved in a collision with a tractor-trailer and a station wagon Monday afternoon at 4:30 o'clock at the intersection of 13th St. and Route 83 in Harrisburg.

Fatally hurt were Benjamin Eugene Smyers, 58, Idaville, and Ruben Wilson Wolford, 46, Gardners R. 2, both passengers in the rear seat of a car operated by Wolford's brother-in-law, Ralph C. Starner, 45, Gardners R. 2.

Ralph Tate, 56, Idaville, who also was a passenger in the back seat, was admitted to the Harrisburg Hospital with head and back injuries. His condition was described as critical. Boyd B. Murtoff, 47, Gardners, was held at the hospital for observation in connection with possible head injuries. Robert Griffith, 44, Idaville, and the driver, Ralph Starner, both had cuts of the head and were kept at the hospital for observation.

STRUCK BY TRUCK

According to police at Harrisburg, Starner's car and a station wagon operated by John S. Woods Jr., Mifflintown R. 2, were traveling side by side in the four-lane road at a slow rate of speed. It is believed that a tire blew out on the Starner car and a tractor-trailer operated by Robert L. Moats, 25, Washington Courthouse, O., struck the rear of the Starner car. The station wagon was also involved in the accident, and may have been hit either by the car or the tractor-trailer, or both.

The rear of the car and rear of the car's roof were torn loose from the Starner vehicle and the roof crumpled forward. The car came to a halt in an eastbound lane after the accident. The station wagon remained in the westbound lane. The tractor-trailer straddled the medial strip, and stopped with its cab in the eastbound passing lane and trailer in the westbound passing lane.

VETERAN RAILROADERS

Police said a fourth car may have been involved in the accident. Robert W. Camp, 41, Hershey, was following the Starner vehicle just prior to the accident, and his auto was believed hit by a portion of the blown tire, but he was able to avoid a collision.

Both of the men killed were longtime employes of the Reading Railroad. Mr. Smyers, a native and lifelong resident of Idaville, was a plumber for the railroad for many years. He was a son of the late George and Ellen (Meals) Smyers. He was a member of St. John's Lodge 260 F&AM of Carlisle, and of the Brotherhood of Railroad Trainmen.

His survivors include his wife, the former Nellie Showers; three sons, Eugene Smyers, Idaville; Robert and Sidney Smyers, at home; three grandchildren and a brother, George Smyers, Idaville.

BODIES MANGLED

Both he and Wolford were badly mangled in the accident and both died from broken necks. Smyers' face was smashed. There will be no viewing.

Funeral services for Mr. Smyers will be held Friday morning at 10 o'clock at the Pittenturf Funeral Home, York Springs, with the Rev. J. Kenneth Barner officiating. It was not immediately decided where interment will take place.

Wolford, a son of the late William and Lucretia (Howe) Wolford, was born in May, 1917, in Huntington Twp. He resided in

SCHOOL TAX IN STRABAN TWP. IS UNCHANGED

The Straban Twp. School Board at a special meeting Monday evening gave tentative approval to a $314,000 budget for 1964-65 and voted to continue the present tax rate for another year.

The school district levies a real estate tax of 50 mills, a $14 per capita tax, 15 per cent occupational tax and a one per cent real estate transfer tax.

Increases in the state appropriation for the current year and for the year beginning on July 1 helped the board offset an increase of about $41,000 in its payments to the Gettysburg Joint School District treasury next year because of the increase in the joint district's budget.

$151,600 FROM STATE

The school district will receive about $143,000 from the state in appropriations and that total is expected to climb to $151,600 for 1964-65. The district expects to end this fiscal year with a balance of about $19,000 but without a tax increase the expected balance by July 1, 1965, will be about $400.

The real estate levy will bring in about $83,000, the per capita tax about $18,000, the occupatioon tax about $33,000 and the real estate transfer tax about $5,000. Federal funds are expected to amount to about $,300 in 1964-65.

The school district's assessed valuation of real estate is $1,615,000. Annual rentals on school buildings total over $31,000 and the township's bus transportation bill amounts to more than $31,000 a year.

The board set 25 cents per name as the rate of pay for an enumerator to be employed to take a school census in the township early in the summer.

All members of the school board were in attendance with President Hugh C. McIlhenny presiding. The meeting was held at the home of the secretary, Oren H. Wilson, R. 4.

Mrs. R. N. Thoman, Germany Twp., Dies

Mrs. Rudolph N. Thoman, 73, died at her Germany Twp. home, Littlestown R. 1, this morning at 9:45 o'clock. She was the former Sudie M. Gochenour, daughter of the late Mr. and Mrs. Joseph Gochenour.

Surviving are her hdsband, two daughters, Mrs. Melvin DeGroft, Littlestown R. 1, and Mrs. Merle Shank, Gardners R. 1; one grandchild and one great-grandchild and these brothers and sisters: Fred Gochenour, Felton, Pa.; Mrs. Leo Jenkins and Charles Gochenour, both of Luray, Va., and Mrs. Arthur Ruckman, Paradise, Pa.

Funeral arrangements are being made by the Little Funeral Home at Littlestown.

FRACTURES FINGER

Jean Hess, daughter of Pius O. Hess, R. 1, was treated at the Waynesboro Hospital over the weekend for a fractured fifth finger of her right hand suffered when she fell out of a wagon.

Dr. C. C. Shultz, 44, Adams Native, Dies

Dr. Cloyd Clifton Shultz, 44, 300 S. Russell St., York, a New Oxford native, died at 4:15 o'clock Monday afternoon in the Harrisburg Polyclinic Hospital after having been in ill health for five months. He was an anesthesiologist.

Surviving are his wife, Mrs. Ruth E. (Sheetz) Shultz, York; his parents, Ollie N. and Beulah A. (McConley) Shultz, Hampton; two daughters, Mrs. Elizabeth Ann Kirsh and Deborah J. Shultz, both at home; a granddaughter, and a grandfather, Clinton G. McConley, New Oxford R. 1.

Private funeral services will be held at the convenience of the family. The Fred F. Feiser Funeral Home at New Oxford is in charge of arrangements. The family has asked that in lieu of flowers donations be made to the Cancer Fund.

Civil Rights Demonstrators Plan Gigantic Traffic Jam At World's Fair And In Other Large Cities

NEW YORK (AP) — The World's Fair auto "stall-in" set for opening day Wednesday is on despite a court order forbidding it, civil rights organizers say.

They plan to have 2,000 cars "run out of gas" on major access roads to the fairgrounds in Queens, snarling traffic to call attention to civil rights campaigns here. The restraining order, issued Monday, would make the organizers subject to contempt of court citations.

Newspaper reports of plans to also tie up fair-bound subway and commuter trains were denied by Marshall England, chairman of the Manhattan chapter of the Congress of Racial Equality.

BLAMES "ENEMIES"

"These statements were made by our enemies," England said.

Nevertheless, police and the transit authority were preparing for any transport jam-up that might develop.

Newspapers have said that secret plans call for CORE "foot soldiers" — those without cars — to pull emergency cords on fairbound trains, and load up ticket lines at fair entrances — without buying tickets.

There were reports that traffic snarl-ins will be conducted in other cities in sympathy with the New York demonstration.

Chicago and Detroit were among the larger cities where traffic jams will be developed, civil rights leaders said.

"DISOBEDIENCE"

James Farmer, national director of CORE, who suspended the group's Brooklyn chapter for proposing the stall-in, disclosed Monday plans for "massive civil disobedience" at the fair Wednesday.

He declined to say how many demonstrators would take part or what form the protest would take. But he defined civil disobedience as an "act which could cause one to get arrested." He said no violence would result.

President Johnson is scheduled to visit the fair for the official inauguration ceremonies.

Farmer said demonstrations have been planned for the fair pavilions of New York City, New York State, General Motors, Ford, Schaefer Beer, New England, and the states of Mississippi, Maryland, Louisiana, Illinois, Florida and Missouri.

The stall-in restraining order issued in State Supreme Court in Queens forbids any attempt to tie up highway travel to the fair. The order, obtained by Queens Dist. Atty. Frank O'Conner, is returnable Thursday when the court will decide whether to make it permanent.

A spokesman for Brooklyn CORE, which organized the stall-in, said the demonstration would go on as planned.

U.S.-Red Relations May Improve With Reduction Of Nuclear Explosives

By JOHN M. HIGHTOWER

WASHINGTON (AP) — A further improvement in U.S. - Soviet relations should result from the newly announced plans of President Johnson and Premier Khrushchev to cut back production of nuclear explosives, Washington officials said today.

The hope in government quarters here is that such moves, which have been building up now for several months, will:

—Create a more favorable atmosphere for disarmament negotiations.

—Brighten the prospects for actual East-West agreement to bring the nuclear arms race under control.

CURB SURPRISE ATTACK

—Initiate measures to discourage surprise attack.

Disarmament by international agreement, however, will require international inspection arrangements in the Soviet Union as well as in the Western countries, according to longstanding U.S. policy. So far, no breakthrough is in sight on this critical inspection issue.

The production cuts announced by Johnson and Khrushchev Monday, with cooperation from Britain as the other main nuclear power, do not require inspection and so far as is known were decided primarily for internal reasons.

CUT OVER 4 YEARS

Certainly in the case of the United States, the President made clear that this country no longer needs to produce plutonium and enriched uranium — nuclear weapons materials—at the level of which it is capable. He had decided on the reduction before advising Khrushchev of his intention to make the announcement which he made Monday.

What the President announced in a speech to an Associated

"REC" BOARD PREPARING FOR SUMMER

Wind up of the winter season and preparations for the summer activities occupied the Recreation Board Monday evening at its meeting in the Gettysburg Junior High School.

Recreation director Ray Thompson reported conclusion of "the most successful fall and winter season so far." The indoor program, he said, was marked by "expansion in all activities. Girls' morning basketball participation doubled. The community league was expanded. There was a larger number taking part in bowling than ever before, and through the generosity of the Optimists and the Moose there were special shirts for all of the bowlers. The afternoon girls activities inaugurated this winter proved attractive to those taking part, and in every phase the winter program was a decided success."

Preparations for the summer are "progressing nicely," according to the reports. Areas of Recreation Park are being rolled preparatory to placing fertilizer. Ralph Bowling has started work on the new maintenance building to be constructed there, and the footers for the 20 by 60-foot one-story concrete block building are already in place. Work of tearing down has started for the wooden sheds that had been combined to serve for storage and which will be replaced by the new building.

Last Friday 30 members of the Phi Delta Theta fraternity assisted in painting bleachers, dugouts and other equipment at the Recreation Field. "We ran out of paint, and they plan to be back again during the next three weeks to finish he work," Thompson said.

It was reported that the Optimist Club will again support the "Optimist League" by expenditure of about $400 for caps, shirts, bats, balls, etc., for baseball at the playgrounds this summer.

Reports showed one night light installed at the Recreation Field, near the Queen St. entrance, and another to be placed soon near the buildings on the Recreation Field.

Plan Goldwater Rally Here Sunday

A Gettysburg College student group is planning a "Goldwater Youth Rally" Sunday afternoon at 3 o'clock at which Senator Goldwater's son, Michael Goldwater, 24, a law student, will be the principal speaker.

The rally will be held on the steps of Old Dorm unless inclement weather forces its transfer to the Student Union building.

John Norris, York, Republican national convention delegate candidate for Goldwater in the York-Adams-Cumberland District, will also speak.

The session will follow a rally earlier in the day at Dickinson College after which a 30-car motorcade is scheduled to come to Gettysburg.

Supervisors To Bar Quarrying

Hamiltonban Twp. supervisors Monday evening decided to prepare for adoption at the May 4 meeting an ordinance prohibiting the establishment of a quarry or mining operation within 300 feet of any dwelling in the township. The decision was reached at the second special meeting on the issue of quarry operations in the Hamiltonban area near Fairfield. Fourteen persons attended, with Caroll Linebaugh, chairman, in charge of the discussion.

The ordinance will provide a "buffer strip" for the protection of residents of the area and will be effective throughout the township, according to Calvin F. Bream, secretary.

Robert McCoy, highways chairman of the borough council, spoke to the Women's Civic Council Monday evening at a meeting at the American Legion Home. He paid tribute to Borough Engineer LeRoy H. Winebrenner and his borough workers for street rebuilding, snow removal, etc. He discussed tentative plans to rebuild N. Stratton, N. Washington and two blocks of Franklin St. this year. He said that while the overall budget exceeded $200,000 this year for the first time in the history of the borough, the millage, which has not been increased for the past 20 years, will remain the same. Increased revenues from meters, amusement tax and taxes from many new properties keep the millage down, he added. Miss Martha Strasbaugh, president, presided at the business meeting which preceded the talk. Mrs. Bernard Frazer, secretary, was authorized to purchase a card duplicator for meeting notices. Nine member groups were represented.

ADAMS NATIVE EXPIRES TODAY

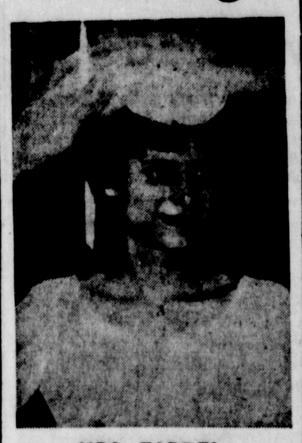

Lennis J. Sanders, 72, Old Mill Rd., Waynesboro R. 4, died at 7:15 o'clock this morning at the Waynesboro Hospital. He had been ill since February 13 and was admitted to the University of Maryland Hospital the following day. He returned to his late home March 3 and was admitted to the Waynesboro Hospital April 17.

He was born in Adams County, March 2, 1862, the son of the late James and Louisa Kebil Sanders. He lived his early life in Adams County and moved to Waynesboro in 1916. He had resided on Old Mill Rd. for the last nine years. He was employed at the Landis Tool Co. as a machinist for 31 years and retired eight years ago. He served with the 79th Division, 316 Inf., during the first World War.

He is survived by his widow, Marie Keckler Sanders, and these brothers and sisters: Mrs. P. H. McIntire, Gettysburg; Mrs. James King, Black River, Mich.; Robert J. Sanders, Hagerstown; Mrs. Ira Hockenberry, Huber J. and Vernon J. Sanders, all of Waynesboro.

Funeral services will be held Friday morning at 10 o'clock from the Grove Funeral Home, Waynesboro, with burial in Harbaugh Cemetery. Friends may call Thursday evening from 7 to 9 o'clock.

Wedding

MRS. TADDEI

Miss Mary Elizabeth Hewetson, daughter of Dr. and Mrs. Frank N. Hewetson, R. 6, became the bride of Vincent James Taddei, Philadelphia, Saturday afternoon at 2 oclock at the home of her parents.

The bride was attired in a ballerina-length gown of silk organza. She wore a shoulder-length veil and carried a bouquet of white carnatins.

Miss Evelyn Lovetz, Philadelphia, the maid of honor, wore a blue ballerina-length gown, with matching eye-length veil, and carried a bouquet of yellow and white carnations.

John Hewetson, brother of the bride, was the best man.

Following a dinner for the members of the two families at the Chalet Restaurant, Dillsburg, the couple left for a wedding trip to Washington, D. C., after which they will reside at 211 Queen Drive, West Chester, Pa.

Atty. Oscar F. Spicer represents the Commonwealth of Pennsylvania, Department of Highways. Atty. Donald G. Oyler represents Mr. and Mrs. Sachs; Atty. John A. MacPhail represents Mr. and Mrs. Ecker and Atty. Richard A. Brown represents Mr. and Mrs. Larmer.

Assumpsit actions include the case of Leroy Comp, Shippensburg R. 1, represented by Atty. Ronald J. Hagarman, against Adrian L. and Joyce E. Slaybaugh, Guernsey, represented by Atty. Gerald R. Walmer. The suit is based on labor and materials furnished by Comp to repair the basement and paint the home of the Slaybaughs; a suit brought by Lena M. Zech, Orrtanna R. 1, represented by Atty. Walmer, against Reaser Furniture Co., Gettysburg, and Travelers Insurance Co. of Hartford, Conn., represented by Atty. H. Thomas Pyle, over payment of a $1,000 life insurance policy on the life of Curvin A. Zech, also known as Curvin Z. Allen, who died in 1959, which the furniture company instituted while Zech was an employe there in 1933, and the suit brought by Donald P. and Joan C. Hollabaugh, Biglerville R. 1, represented by Atty. MacPhail, against Caddie Homes Inc., Harrisburg, represented by Atty. Oyler over a home purchased by the Hollabaughs.

The trespass actions include the retrial of the suit of Marilyn L. Kump Shank and Floyd J. Kump, Cashtown, against Howard C. Weikert, Gettysburg; Tom Kump, Biglerville R. D., and Faye Little, administratrix of the estate of Phillip L. Little, late of Gettysburg. The suit stems from an auto accident May 2, 1961, near Cashtown, when cars operated by Weikert and Kump were allegedly traveling east and there was a collision with a westbound car operated by Mrs. Shank. The law firm of Brown, Swope and MacPhail represents Floyd Kump and his daughter; Atty. Donald G. Oyler represents Tom Kump and Atty. S. M. Raffensperger represents Mrs. Little.

2 CROSS ACTIONS

Scheduled as No. 2 and No. 3 on the list are the cross actions in trespass brought as a result of an auto accident three miles east of here on the Hanover Rd. November 15, 1962; Acco Realty Co., Reading, and Robert L. Schroyer, Gettysburg R. 5, represented by the law firm of Brown, Swope and MacPhail, are suing Charles G. Kachel, Gettysburg R. 5, represented by the law firm of Bigham and Raffensperger, in one case. Kachel is suing Schroyer and the American Casualty Co. in the other suit.

Michael A. Elias, Washington, Pa., is suing Larson Corporation, Gettysburg, for injuries allegedly suffered when he fell in a shower at the motel on Buford Ave. August 9, 1961. Attorney Oscar F. Spicer represents Elias, and Brown, Swope and MacPhail, the motel.

C. Robert Brothers, New Oxford, administrator of the estate of Edna B. Brothers, represented by Attorney S. M. Raffensperger, is suing Dennis C. and Lester Cluck, Littlestown R. 1, for damages resulting from an auto-truck accident in New Oxford August 11, 1958.

OIL COMPANY SUED

Lucy G. Eller, 58 Patrick Ave., Littlestown, is suing George H. Riggs, Hanover, for damages caused July 16, 1962, when a car operated by Riggs struck the Eller auto while it was parked in Littlestown. Attorney Oyler represents the plaintiff.

William R. Shafer, 231 Chambersburg St., is suing Eugene Keith, Glendale, Calif., represented by Attorney Oyler. Shafer claims Keith owes him for damages to his car resulting from an accident December 21, 1962, in Heidlersburg. According to the complaint, Keith's car collided with a station wagon operated by Margaret Cornella Weirick, Northumberland, and the Weirick car, out of control, hit Shafer's parked vehicle.

OTHER DAMAGE ACTIONS

J. Clair Sanders, Gettysburg R. 4, represented by Attorney Walmer, is suing George A. Hoopert and Ernest E. Latsha, both of Harrisburg, represented by Attorney Donald M. Swope, for damages to Sanders' station wagon April 25, 1963, near New Oxford, when it was struck by a tractor-trailer operated by Latsha and owned by Hoopert.

Violet W. Steinhauer, Gettysburg R. D., and Ivins W. Steinhauer, administrators of the estate of the late Clinton H. Steinhauer, are suing Sarah A. Knechtel, Tonawanda, N.Y., for damages occurring March 25, 1963, when the Knechtel car struck the late Mr. Steinhauer as he was walking across the Emmitsburg Rd. at his home 2½ miles south of here. Attorney Oyler represents the Steinhauers, and Attorney Swope the defendant.

members, Richard Guise and Barton Hoppe, was conducted by President-elect S. M. Raffensperger.

Lott, who was introduced by Program Chairman Hartzell, is president of the State Soil Conservation Districts' Association. He said water use may triple by the end of this century and make more acute the present water and soil conservation problems.

He said that Pennsylvania's water problem has often been "too much or too little" and said that in the first 15 days of March enough water flowed past Harrisburg in the swollen Susquehanna to supply the water needs of that city for 315 years. Last summer the river was at one of its lowest stages in history.

He spoke of the current Susquehanna River study that may take six years and is following similar studies in the Delaware and Potomac River basins. Recreation interests, sportsmen and fishermen, flood control, irrigation, power companies, the state and federal agriculture and health authorities and soil and water conservation interests are involved in the far-reaching river studies.

He invited the Lions to attend this weeks sessions of the Potomac River Basin Commission in Gettysburg when regional and local aspects of the river basin studies will be discussed.

There was a brief meeting of the clubs board of directors after the meeting. Next Monday the "car dinner" will be held at the Cannon Cafeteria.

AWARD PRIZES TO SEVEN IN WORD CONTEST

Seven Adams County school youngsters Monday evening received prizes for placing in the annual Good Outdoor Manners contest held as part of a statewide competition to interest school children in "good manners" out-of-doors and conservation of natural resources.

Bobby Rakestraw, chairman of the county committee, told the group that because of ties $40 in prizes would be awarded instead of the $32.50 originally listed for the competition. The Adams County Soil and Water Conservation District and the Adams County Fish and Game Association had donated the money for a $15 first prize, a $10 second and $7.50 third award in the competition based upon words made from the letters contained in a conservation slogan.

One hundred ninety-five youngsters entered the competition. The judges, Cecil R. Snyder, Biglerville agricultural education teacher; Elmer Schriver, Gettysburg agriculture teacher, and Henry W. Mattox, of the local Soil Conservation Service, found that three of the students had 24 words each "and there was no way to break the tie."

DIVIDE PRIZE MONEY

There were also four with 23 words.

As a result it was decided to give $10 each to the three who had the largest number of words; Gaynelle Ritter, 15, a Littlestown High School student; Darlene Biesecker, 13, Cashtown, a Gettysburg Junior High Student, and Linda Plank, 13, McKnightstown, a Gettysburg Junior High student.

Awards of $2.50 each were given to the four who tied for third; Jill Elaine Baker, 10, a student at Bendersville Elementary School; Fred Pifer, 14, York Springs, a student at Bermudian Springs High School; Craig Stallsmith, 12, Aspers, a student at Biglerville High School, and Timothy J. Redding, 15, Gettysburg R. 6, a student at Gettysburg High School.

The committee also reported plans to send a letter of "honorable mention" to one young girl who read the directions for the contest wrong, but performed a remarkable feat. The competition allowed each letter appearing in the slogan to be used once. The young lady misunderstood and thought the rules said to see how many words could be made from the letters appearing in the slogan, using the letters as often as needed. She produced 4,064 words.

The three top winners in the Adams County event were entered in the state competition which will end May 15.

As part of the program, Measured Soil Foods and Adams Agstone paid for 4,000 book covers stressing outdoor good manners which were distributed in the schools. Among members of the committee, in addition to Chairman Rakestraw, were Richard C. Lighter, Mrs. Herbert Zepp, Homer H. Thrush, J. Kenneth Biesecker, M. Francis Coulson and County Agent Thomas E. Piper.

INJURED IN CRASH

Miriam R. Shearer, 20, Hanover, suffered minor body bruises in a two-car collision at an intersection Monday noon. Conewago Twp. police said the cars were operated by Joseph A. Brady, 22, and Mrs. Esther B. Runkle, 45, both of Hanover. Police reported the Brady car struck a porch at the home of Ray J. Hagerman, 511 Third St., Midway. Police said Miss Shearer did not request medical attention. Total damage to the two cars and the porch was estimated at $300.

2 CANDIDATES FILE SATURDAY

Two unopposed candidates filed for the Emmitsburg town elections before the deadline for filing Saturday at midnight.

The incumbent mayor, Ralph F. Irelan, who was elected mayor of Emmitsburg one year ago for the final one year term, was the only candidate to file for the first two-year term as Emmitsburg mayor created by an amendment last year in the town charter.

Joseph S. Haley, an Emmitsburg home building contractor, was the only person to file for the one vacancy this year on the Emmitsburg Town Council. Incumbent Councilmen J. Norman Flax and Dr. J. W. Hauser remain in office automatically.

NOT A CANDIDATE

Councilman John S. Hollinger, general manager of the Sperry Garage in Emmitsburg, named board chairman in the last of his three years of council service, did not seek re-election this year because of business reasons.

The town election will be held on Tuesday, April 28, from 12 noon to 7 p.m. in the Emmitsburg town office with 500 persons eligible to participate.

Although there is no official opposition to either candidacy in the Emmitsburg town elections, write-in votes are permitted and some other persons may be voted for, a town official explained.

Priest, Lutheran To Address Meet

A Catholic priest and a professor of theology will be speakers at the First Faith and Order Conference at Colonial Park Evangelical United Brethren Church, Harrisburg, Friday and Saturday.

The two men are the Rev. Fr. William H. Keeler, pastor of Our Lady of Good Counsel Church, Marysville, and Prof. Jacob Heikkinen, member of the faculty at the Gettysburg Lutheran Seminary.

Rev. Robert H. Sholter, host pastor, said the conclave is sponsored by the Faith and Order Committee of the United Churches of Greater Harrisburg, of which he is chairman.

The Saturday session will open with a prayer breakfast at 7:40 a.m.

Father Keeler will speak at the noon session Saturday.

FARM IS SOLD

Mr. and Mrs. John S. Funt, Biglerville R. 1, have sold their 23-acre property near Table Rock to Mr. and Mrs. Albert Nussbaum, Huntington, L. I., N.Y. The sale was made by Strout Realty Agency. John C. Hartman was the salesman.

Miss Carol Bloom, who will play the "Beauty," and Edward Baierkeun, who will play the "Beast," in the children's play "Beauty and the Beast" to be presented Saturday by the Gettysburg sub-league of the Woman's League of Gettysburg College, are shown at a recent rehearsal. The play will be staged in the Student Union auditorium Saturday morning at 10:30 o'clock and Saturday afternoon at 2 o'clock. (Times Photo)

times seems like pouring money down a rathole" because of instability of various governments of newly emerging countries, he said that India is far different in that respect.

It has a stable government, and "as far as can be seen its government should remain stable for a number of years to come," and "its people are making their own effort to improve. No country has higher taxation, or is seeking more to train its people in the knowledge needed to improve its lot."

Dr. and Mrs. Gopal were introduced by Vice President C. William Harbaugh. Norman Annis, Gettysburg College art professor who plans to go to India in June, was a special guest introduced by Dr. Harold Dunkelberger. President Rev. Robert MacAskill presided. Group singing was led by Dr. John Zinn and Dr. Kenneth Smoke.

AUTOS COLLIDE

A taxicab and a sedan were damaged in a collision in Hanover, Saturday at 2:35 p.m., according to Hanover police. The taxi, driven by Victor W. Caudill, 52, Hanover, was moving north as the sedan, operated by Marie A. Buddy, 61, of 57 N. Queen St., Littlestown, was traveling south. GUARDSMEN QUALIFY AT GAP

Every member of the local Howitzer Battery of the National Guard qualified in firing the M-1 rifle and the new M-60 machine gun during the weekend of firing at Indiantown Gap, the unit was told Monday evening at its meeting in the local armory.

At the drill Monday each man disassembled, cleaned and reassembled his M-1 and each section disassembled and cleaned the M-60 machine gun assigned it.

Reports of the firing showed Sgt. Donald W. McCauslin was high scorer with 199 out of a possible 210. Second high was Specialist Fourth Class Thomas Leedy with 189. Two members were tied at 185, Lt. Calvin Manahan Jr. and Pvt. Donald Maring.

Men who scored less than 185 but more than 180 included Cpl. Ronald Feeser, Sp4 Donald K. McCauslin, Sgt. Robert McGlaughlin, Sp4 Ernest Walker and Sgt. Harold Kint.

Those who scored less than 180 but more than 170 included Lt. Ronald Blocher, Pfc. James Fox, Sgt. James Bunn, Sgt. Earl Topper, Sp4 Richard Carey, Pfc. George Groft, Sgt. Richard Wartluff, Cpl. Albert Poole, Sp5 Joseph Lanza and Sgt. David Nett.

Three men have been discharged from the battery because of the expiration of their enlistments. The battery now needs nine new men to come up to full strength.

Variety Show To Be Given Friday

The third annual variety show sponsored by the New Oxford PTA will be held in the high school auditorium Friday at 8 p.m. A mixed chorus, under the direction of Mrs. Edgar Moul, accompanied by Mrs. Robert Aldridge, will sing "Sound of Music," "Every Time," "Bye, Bye, Blues" and "Sons and Daughters of a Land Reborn."

A women's chorus will sing "Serenata" and a men's chorus will render "Stout-Hearted Men" and "Ole Arks A' Moverin."

A Spanish dance will be performed by Mrs. Donald Kauffman and several skits will be given. A "hootenanny" will be presented by a group of elementary teachers.

Tickets are on sale by PTA members or may be purchased at the door for by adults for 50 cents and children for 25 cents. Refreshments will be served after the show in the cafeteria.

PROPERTY SOLD

A property along the old Lincoln Highway, two miles west of Cashtown, was sold at public sale Saturday by Harry F. Wentz, Orrtanna R. 1, to Donald Bankert, New Oxford, for $1,165. The property is improved with a six-room frame house. E. W. Benner was the auctioneer.

330 Scouts, Leaders Hold Nature Course

Approximately 330 boys and leaders of Conewago Boy Scout District participated in a weekend spring nature course at Camp Conewago, Dick's Dam.

Serving as leaders for various merit badge requirements were: Insect life, Dean Asquith, research entomologist at Penn State University; soil and water conservation, Robert Rakestraw, Gettysburg, representative of Federal Soil and Water Service; wildlife management, Home Thrush, Gettysburg, representation of state Game Commission, and nature, Ray Brooks and Kenneth S. Whisler Sr., representatives of P. H. Glatfelter Company, Spring Grove.

Francis Redding, McSherrystown, and Merrill Yohe, New Oxford, served as camp directors.

school addition, which gives you a complete unit which should meet your needs for many years to come."

The architect also advised the board that junior size lavatories will be installed in the kindergarten and junior departments at the board's expense, since these items were not included in the plans which the building committee approved, although the board had verbally specified them.

The property committee reported that a new ceiling will be placed in the gymnasium pending approval by the state, and that it should be completed by commencement day. A. B. Ross, chairman, sought the opinion of board members on the type of fence to enclose the school area for elementary pupils in order that he may obtain prices.

The furniture committee reported that a surplus sale of used furniture will be held May 2 from noon to 5 o'clock and that prices and items will be advertised prior to the sale date.

FINAL INSPECTION

Lowe announced that the architect will be present Wednesday afternoon at 1:30 o'clock for the final inspection of the building and asked members to attend if possible.

Supervising Principal Harold R. Blair said the annual director-teacher banquet will be held May 4 instead of April 27 and reported that a custodians' workshop will be held in the Fairfield school June 12.

The board approved payment of bills totalling $31,688.69. Deposits totalled $26,760.54, and a balance of $5,873.86 was reported after payment of current bills. The cafeteria reported serving 8,336 lunches in 19 days of operation with an income of $3,425.70 and expenses of $3,037.97. Cash due the program is $1,144.12 and unpaid obligations total $2,715.54.

The board will meet at 8 o'clock in the evening from May through October because of Daylight Saving Time.

noon business session and at 2 p.m. there will be a demonstration by the Philadelphia Fire Prevention Task Force Education Unit. Later that afternoon a program on the college instructor and the safety program will be presented by Dr. Charles H. Hartman of the Automotive Safety Foundation, Washington, D. C. Other demonstrations and group meetings will complete the afternoon.

At the Friday evening banquet in addition to the talk by the national president, there will be a showing of the new film prepared by the state Department of Public Instruction on "Youth's Big Moment." Installation of state association officers will follow.

Much of Saturday morning will be devoted to departmental meetings.

John OBrien, driver instructor at the Gettysburg High School, has been in charge of local arrangements for the conference and has been assisted by the Gettysburg Travel Council.

STICK-IN-THE-MUD

NEW ORLEANS, La. (AP)—The American freighter Manhattan—carrying 79,000 tons of grain to the Soviet Union—is an old stick-in-the-mud. She can't get out of the Mississippi River into the Gulf of Mexico.

The Manhattan went aground Monday for the fifth time in a week. Six tugs worked without success to free the vessel from its latest encounter with a mud bank.

PARK VISITORS ON INCREASE

Visitors to the Park Service Visitor Center here last week included a farmers' organization from Minnesota, a Reserve Officer Training Corps class from the University of Pennsylvania in Philadelphia, a 10-man study team from Ecuador and 33 school groups.

The Ecuador group is in this country to study highway equipment maintenance. They are sponsored by the U. S. Department of State.

The 33 school groups that visited here totaled 2,115 boys and girls, an increase of 911 students over last week. School visitation to the Visitor Center is expected to increase steadily, reaching a peak in mid-May.

The schools were from Annandale, Va.; Madera, Pa.; Mallica Hills, N. J.; Ostego, N. Y.; Independence, O.; Wilson, N. J.; Silver Spring, Md.; Portland, Mich.; Md.; Cuba, N.Y.; Basking Ridge, N.J.; Woodbury, N. Press luncheon in New York was "a further substantial reduction in our production of enriched uranium to be carried out over a four-year period.'

He had announced an initial cutback in his State of the Union message last Jan. 8. He said Monday that the cuts he has now ordered add up to a 20 per cent decrease in plutonium output and a 40 per cent decrease in the manufacture of enriched uranium.

REDUCE TENSION

"By bringing production in line with need," Johnson declared in his AP speech, "we reduce tension while maintaining all necessary power."

When the President's speech was released at 2 p.m. EST the Soviet News agency Tass simultaneously released a statement that Khrushchev was halting work on two reactors designed to produce plutonium, that he would "substantially" cut back production of uranium 235 and would allocate more nuclear materials for peaceful uses.

OPEN CLUB MEETING

The Gettysburg Garden Club meeting Thursday afternoon at 1:30 o'clock in the VFW home, E. Middle St., is open to the public and is not limited to club members, Mrs. J. VanCleve Lott, program chairman, announced today. Tickets may be obtained from club members or at the door, Mrs. Frank Harris, Mt. Airy, Md., will demonstrate "The Art of Drying Flowers."

Conservation Talk By Park Ranger

Methods of protection of national parks were demonstrated Saturday at Spangler's Spring by Jude T. Smith, seasonal park ranger on the local Park staff, in a conservation talk to a group of Girl Scouts from York. He told the 25 young ladies and their leaders that conservation means wise use of natural resources whether it be the forests, soil, water, wildlife, or minerals and that conservation is the duty and responsibility of every patriotic American.

"America has been blessed with an abundance of natural resources and places of superlative beauty. These were given to us by the Creator not to be destroyed by shortsighted goals or profit, but as a trust for our enjoyment and benefit and for generations yet unborn," Smith said. "Intelligent co-operation with nature will yield the greatest good for the greatest number of people for the longest time."

After his talk, Ranger Smith conducted the Girl Scouts on a nature tour of the battlefield. He discussed with them the plants and trees common to this area and pointed out some of the animals that make the battlefield their home. The tour concluded with a hike up Big Round Top.

"Coffee Day" In March Netted $242

"Coffee Day" last month in 36 cooperating restaurants in Adams County netted the Easter Seal campaign of the Adams County Crippled Children's Society $242, it was announced today by Cloyd Shetter, who represented the cooperating restaurants in the annual project.

Restaurants were supplied with large "Buck-a-Cup" bottons which they sold to customers for $1. The buttons entitled the wearers to free coffee at any of the cooperating restaurants on Coffee Day, March 26.

The proceeds will be turned over to the Crippled Children's Society to be added to receipts from the annual Easter Seal sale.

Out Of The Past

From the Files of the Star and Sentinel and The Gettysburg Times

FIFTY YEARS AGO

25th Anniversary: The McSherrystown Fire Company celebrated their 25th anniversary by a banquet in the engine house Monday evening. There were about 75 persons present including Burgess Little, the borough councilmen, firemen and guests. Foreman James B. Devine had charge of the banquet, while F. X. Weaver, president of the town council, officiated as toastmaster. Brief addresses were made by the firemen and guests after which a fine banquet was served. The company is also a sociable organization, the rooms being open each evening, and the members going on a camping trip each summer.

For Pretty Girls: "Altoona may not be quite as handsome as some other towns, but she has the handsomest ladies, young and old, in the country" — Altoona Tribune. "Under no circumstances may we permit this to pass without correction. Chambersburg girls and women for pulchritude excel, this has been so generally and widely conceded that it is hardly necessary to refer to the matter" — Chambersburg Franklin Repository. In reply to which we merely quote from a current text book on English which says: "For its size, Gettysburg has more pretty girls than any town in the country."

Close Office: The post office at Tillie (McKnightstown Station) was discontinued on Wednesday and its patrons are now being served from the McKnightstown office.

Odd Fellows' Minstrel Show: With brand new jokes, an abundance of good singing, attractive stage effects and original vaudeville, Gettysburg's Odd Fellow Minstrels held the boards at Walter's Theater Friday night to a house that filled every seat and would have occupied all the standing room had standing been allowed. A pleasant feature of the performance was the newly organized Odd Fellows' orchestra, James McDonnell, leader. The entire circle, with the exception of C. K. Gilbert, interlocutor, were in black face and the curtain rose to a medley of popular airs, sung with a vim that would have done credit to any traveling troupe that ever visited the town. Brady M. Sefton and Preston S. Tate held up the ends in fine fashion and then Charles K. Little and Charles B. Tate meandered in from the wings. With their arrival the merriment increased, local hits were scored rapidly, town interests and citizens sharing in the jokes. Allie Plank put so much life into "The Queen of Charcoal Alley" that he and the chorus got the liveliest reception of the evening. The other songs were by vocalists of recognized ability, W. Ernest Ziegler, Roy E. Zinn, G. Edgar Miller and J. Clifford Wierman. About $160 was cleared.

Lucky Find: A platinum bracelet, set with 24 diamonds and valued at $2,500, lost by Mrs. Bruth Runk, of Baltimore, one of a coasting party while she was a guest of Mr. and Mrs. P. H. Glatfelter last winter, was found Friday by Paul Freed, the 18-year-old son of Levi Freed, gardener for the Glatfelters. Sprouting blades of a tuft of alfalfa raised the bracelet several inches from the ground, making its discovery possible. During the winter Mr. and Mrs. Glatfelter gave a coasting party on the hill north of their house and between it and the state road. Mrs. Runk, who was one of the coasters, dropped the bracelet from her arm. When the loss was discovered a search was begun. The fields were raked in the effort made to find it. The hunt was continued even after the snow disappeared from the ground until the present time.

Nears Completion: The three story Goldsborough Sanitarium, near Hunterstown, is slowly nearing completion. The building will be lighter by electricity, the plant for which will be installed in the basement and for which the wiring is now being done.

Today's Talk

THE SUPERIOR PERSON

There are none too many superior persons in the world. It could use many, many more! The simple fact is that anyone can be just that kind of a person! To be rich, highly educated, or high born is not essential. I have known, and loved, superior persons who were most humble in origin and quite unschooled as to book knowledge — but superior in tact, kindness, consideration, common sense, and self-knowledge.

The superior person is always tolerant of others, respectful to those of humbler walks, and ever ready in sympathy and natural understanding. Such a one is never boastful, nor imitative of someone else. He is always his genuine self.

To those of less learning or more limited in ability or opportunity, he holds a common footing, never allowing such ones to feel their lack. Rather does he invite confidence and a meeting of views — always tolerant of station, race, religion, or origin.

The superior person is always companionable. There is a meeting ground — within his mind, and within his heart. He is the friend you tie to for life — when you find him!

The superior person has opinions, but he is not opinionated. You listen to him, but you do not argue. You merely discuss, thereby adding to his knowledge and to your own. You part from each other enriched mentally and spiritually.

The superior person does not have to be pointed out to you. You feel his presence. You recognize him the moment you come in contact with him. He makes You feel his presence. You recognize—be that little or much. But are never conscious of his wealth (if he has any) nor of his learning — be that littleor much. But you are conscious of his superiority.

You cannot learn to be a superior person out of a book. You have to learn it out of life, and out of yourself. You have to be a student of yourself. There is no textbook like that which is made up of self-experience.

THWARTED

His mother saw a pulpit in some old cathedral dim
And all the Sunday worshipers being won to truth by him,
But though he longed to please her preacher man he couldn't be
For there was that within him which kept whispering of the sea.

His father thought a lawyer in good time he ought to make.
In dreams he saw him pleading for some human life at stake.
But court rooms never called him.
Still indifferent was he
To all save ships and sailor men and stories of the sea.

He never graced the pulpit; never rose to be a judge.
He lived and slaved for 60 years an ordinary drudge,
And all his years were dreary, since they never set him free
To follow far his fancy and go sailing out to sea.

MANILA (AP)—Ferdinand E. Marcos, president of the Philippine Senate, resigned today from the presidency of President Diosdado Macapagal's Liberal party and joined the opposition Nacionalista party.

Marcos said he could "no longer stomach the abuses in the government." He has been feuding with Macapagal for months and is considered a likely aspirant for the presidency next year.

FREE-FOR-ALL AT BOSTON AS CELTICS WIN

By ED TUNSTALL
Associated Press Writer

BOSTON (AP) — For San Francisco Coach Alex Hannum it looks like a seven-game series. Boston center Bill Russell wishes there were no games left. And big Clyde Lovellette of the Celtics is just waiting for the bell to ring for the second round.

Out of these conflicting opinions rises the fact that the Celtics now lead two games to none in the championship National Basketball Association playoffs by virtue of Monday night's 124-101 romp over the Warriors. Games No. 3 and 4 are on tap in San Francisco on Wednesday and Friday nights.

The game's the thing, but Monday night it almost got lost in the shuffle, or rather, the scuffle.

WILT THROWS PUNCH

The near free-for-all erupted just after the fourth period opened with the Celtics holding a 31-point advantage at 104-73. Lovellette fouled Wilt Chamberlain, the two exchanged viewpoints and, whamm o! Chamberlain's right shot out and Lovellette dropped to his knees.

Players from both benches flooded the floor, but just as quickly appeared the boys in blue and order returned to the Boston Garden.

AUERBACH FUMING

Boston Coach Red Auerbach was fuming and had to be pulled back to the bench by Russell.

Chamberlain had little to say of the incident after the game except to imply there had been due provocation by Lovellette.

Lovellette, with a cherry-red mark on his upper lip, said, "All of a sudden, boom, and I was down. I don't know what caused it. Maybe h ewas sore about being behind by 30 points. But it's no disgrace to be decked by a 7-foot-2, 290-pounder."

WANTS DISQUALIFICATION

"I play Wilt a lot closer than Russell," big Clyde continued, "But I have to. I can't jump like Russell. But I've played him like that before and if he knocks me down 10 times, I'll still play him like that."

Auerbach explained he was sore because Wilt was not disqualified. The Boston coach said the disqualification is mandatory when a player tosses a punch.

Russell said he was "real tired" and that he wishes the series was down to the final game or else over completely.

Statistically, the only bright light for the Warriors was Chamberlain's 32 points which led all scorers. Sam Jones with 31 was tops for the Celtics.

BRINGS TRASH TO COURTROOM

FULTON, Mo. (AP) — Malcolm Dalrymple, 21, of Brentwood, Mo., arrived in court Monday with 10 sacks of empty beer cans and whiskey bottles.

He collected the trash along a five-mile stretch of county road on orders of Magistrate Hugh P. Williamson.

The Westminster College student had pleaded guilty earlier to careless and imprudent driving while drinking. Williamson offered him a choice of a jail sentence or collecting beer and whiskey bottles along the highway.

Dalrymple also was fined $50 and court costs.

"If the good Lord sends me enough of these cases," said Williamson, "I'm going to have the highways cleaned up . . . I enjoy my work."

Russian Women Bury Chile Team

LIMA, Peru (AP)—The United States has gained a berth in the final round of the Women's World Basketball Tournament, but the Russian girls, favored to repeat as world champions, are upstaging the U.S. entry.

The American team clinched a place in the seven-nation championships by defeating Paraguay 54-48 at Chiclayo Monday. The U.S. girls beat France 41-37 in their opening game of one of three preliminary tournaments.

But, while the Americans had to go all out in their game, the Russians buried Chile 91-28 at Tacna. Russia, Bulgaria, Czechoslovakia, Yugoslavia and Brazil each have won two straight and have qualified for the finals. Peru, the host nation, completes the championship field.

EAGLES DOWN LHS TRACKMEN IN DUAL MEET

Defying intermittent showers and a rain-soaked field the Bermudian Springs and Littlestown High School track squads held their meet Monday afternoon at Littlestown with Bermudian winning the decision 43½-33½.

By mutual agreement only nine events were held with each squad taking four first places and tying for another.

Jim Hoke won the shot-put and discus for Bermudian to become the lone double-winner of the meet.

Bermudian, 1-2, will meet Boiling Springs at the latter place Friday. Littlestown, 0-4, will journey to Greencastle April 29.

METS' FANS WILD ABOUT EARLY WIN

By JOE REICHLER
Associated Press Sports Writer

NEW YORK (AP)—Oh, those grand, glorious, no-longer-gruesome Mets.

They've played five games and already they've won one. This is the fastest-breaking team in Met history.

The original Mets lost their first nine games in 1962. Last year's National League entry in New York lost its first eight.

No wonder the fans are flocking to their snazzy, new 55,300-seat stadium.

BLANK BUCS

Deliriously happy, 30,185 Metnicks screamed themselves hoarse at Shea Stadium Sunday as their favorites knocked Pittsburgh out of first place with an astonishing 6-0 victory.

This figure boosted the three-day home attendance to 110,104, nearly three times the number of people who watched the Mets lose their first three games at the Polo Grounds last year.

Rain forced postponement of the scheduled game with the Philadelphia Phillies Monday.

Sunday's shutout was turned in by Alvin Jackson. The little southpaw led the Met pitchers with 13 victories last year but had nary a shutout.

BEST RESULTS

Manager Casey Stengel shook up his line-up Sunday, benching shortstop Amado Samuel for Al Moran, inserting Rod Kanehl at third and switching Ron Hunt from third to second base, where he played all last year.

It was Casey's fifth different line-up in five games, par for the course. And it produced the best of all. The team accumulated 13 hits, including doubles by Dick Smith, Joe Christopher and Hunt.

The boys are now batting .291 as a team, which is astounding when you consider they didn't get above .220 last year.

Rains Continue To Plague Sports

Just like the weather, area sports schedules are becoming all fouled up.

The Gettysburg College baseball team had its fourth home game cancelled Monday when its contest with Dickinson was erased. It will not be rescheduled. The Bullet-Red Devil tennis match was rescheduled for May 7.

Gettysburg High and Fairfield postponed their baseball game until here on Monday, May 4.

There appears to be little doubt scheduled baseball games today will also become victims of the continuing rains. The Adams County League schedue for today includes Gettysburg at Biglerville, Fairfield at New Oxford and Bermudian Springs at Littlestown in a 7:30 p.m. game.

Eastern League

WILLIAMSPORT, Pa. (AP)—The six-team Eastern League, with clubs in Pennsylvania, New York, Massachusetts and West Virginia, tonight opens its 42nd season with games at York Reading and Elmira.

The Eastern, a Class Double-A loop for the second consecutive year, reports its three-week spring training shows the league is all set for a close and interesting pennant race.

The champion Charleston Indians open the campaign against York, while Reading entertains Williamsport, switched over from Binghamton, N.Y.—and Elmira hosts Springfield.

President Rankin Johnson said "All our clubs are sound and are either owned outright by a major league club or have the strongest of major league ties."

GOOD BASEBALL

He said these major tie-ins "will make for a good calibre of baseball" and "should keep up the fine standard of play that has been a trademark of the league since it was born in 1923."

The Williamsport club is being operated by the New York Mets, while the other five clubs have retained their previous big league connections. These are Elmira with the Baltimore Orioles, York with the Washington Senators, Charlestown with the Cleveland Indians, Springfield with the San Francisco Giants, and Reading with the Boston Red Sox.

3 NEW MANAGERS

There are three managers ney to the Eastern League this season. They are Ernie White at Williamsport, Jim Lemon at York—who may turn out to be the only playing skipper—and Bob Nieman at Charleston.

Eddie Popowski, starting his 11th year in the league, is back with Reading. Also back for the third straight year is Earl Weaver at Elmira.

Andy Gilbert will manage the Springfield Giants after a year absence. He was with the Tacoma club of the Pacific Coast League last season. This will be his sixth year with Springfield.

PUT KENTUCKY ON PROBATION FOR ONE YEAR

SAN FRANCISCO (AP) — Those extra conditioning sessions that helped cost the University of Kentucky nearly half of its 1962 football team are costing the 1964 squad any chance to play in a bowl game.

The National Collegiate Athletic Association put the school on one-year probation Monday. The only sanction is against post - season football. Slippery Rock of Pennsylvania and Prairie View A&M of Texas drew the same penalties for playing in non - sanctioned bowl games last year.

The NCAA took Indiana University, University of Colorado and New Mexico State off the probation list — the latter nine months earlier than expected.

"OUT OF SEASON"

The NCAA Council said Kentucky "violated provisions governing out - of - season football practice in that during late winters and early springs of 1962 and 1963, its football coaches conducted physical conditioning programs for all student athletes" planning to play football.

Attndance was required.

Charlie Bradshaw was in his first year as head coach in 1962. After eight weeks of conditioning and before spring practice was even a week old, numerous players quit.

More followed until the original squad of 68 was reduced to less than 40 by the end of the 1962 season. The daily conditioning included weight lifting, calisthenics and running — but coaches were careful not to have footballs on hand.

Some of the players who quit gave up their grants-in-aid. The council said the school gave the players form letters to sign as their "voluntary" letters of resignation from the grant program.

It called this procedure "questionable" and said it "reflected poorly on the general administration of intercollegiate athletics."

SAYS HAD "OK"

NCAA executive director Walter Byers said the Southeastern Conference had advised Kentucky the conditioning program was legal.

"The NCAA Council is of the opinion that the university did not intend to do wrong, however in fact, the activity violated NCAA rules two successive years," said Byers.

New Mexico State won early reinstatement from its three-year probation because the school introduced new evidence reportedly showing fewer students were involved in admissions irregularities than at first believed.

Colorado, banned from post-season football during its two-year probation, was rapped in 1962 for recruiting irregularities exposed in the Sonny Grandelius case. Grandelius, the football coach, was fired.

Indiana served a more serious probation lasting four years during which it could not compete in post-season football games, championship tournaments in other sports, or in invitational affairs.

BIG GUNS MOVE TO FIRING LINE AT PINEHURST

By KEN ALYTA
Associated Press Sports Writer

PINEHURST, N.C. (AP)—The big guns moved to the firing line today for the eight-match second round of the Women's North and South Amateur Golf Tournament.

The biggest cannon of the abbreviated first round Monday was set off by tiny Mrs. Macy Scott of nearby Troy, a 10-handicapper who cut down formidable Mrs. Harry Nevil, Cooperstown, N.Y., 3 and 1.

Mrs. Nevil, a two-handicap player who hasn't played much golf in recent months, has won the New York State title four times and was a national quarter-finalist two years ago. Eight-over-par golf was good enough to beat her.

TOP PAIRINGS

Nancy Roth of Hollywood, Fla., the defending champion who had a first-round bye, was paired with Mrs. Petsy Kimpel of Urbana, Ill., in today's first match. Other upper - bracket pairings included

Mrs. J. W. Rettew, Pinehurst, vs. Mrs. Jose Nesbitt, Greenwich, Conn.; Phyllis Tish) Preuss, Pompano Beach, Fla., vs. Mrs. Mary Welsh, Rockford, Ill.; Mrs. Philip Cudone, West Caldwell, N.J., vs. Mrs. Ann Stranahan, Toledo, Ohio.

Miss Preuss, runner-up last spring, had a first-round bye and Mrs. Cudone won by default. Mrs. Cudone appeared likely to advance with another default victory. Her opponent today, Mrs. Stranahan, had yet to check in and tournament officials hadn't heard from her since receiving her entry by mail. She drew a first-round bye.

DODGERS ARE SHADE WORSE THAN YANKS

By MIKE RATHET
Associated Press Sports Writer

As things stand today, the Los Angeles Dodgers are just a shade worse than the New York Yankees.

But then they've had more time to work at it.

The Dodgers maintained their edge Monday, but not without some difficulty. They collected five hits and scored a run off Bob Sadowski while losing to Milwaukee 7-1 and running their longest losing streak in two years to six games.

The Yankees, meanwhile, tried to catch up but failed. They didn't score but they did stroke nine hits before losing to Boston 4-0. They might have had a better chance if the other half of the Patriots' Day doubleheader at Boston hadn't been rained out.

TRAILING METS

The Dodgers' edge, however, stems from the fact they've played more games. Each team has won one game, but the Dodgers have squeezed in six losses to the Yankees' four.

The Dodgers, in the National League cellar one game behind the New York Mets and four behind leading Philadelphia and San Francisco, have scored only 14 runs in seven games and three in the last 35 innings. They've collected only 50 hits, for a .213 batting average.

The Yankees, in the American League cellar one-half game behind the Washington Senators and three behind front-running Baltimore, have scored 12 runs in five games. But they've collected 41 hits for a .216 batting average.

BIG DAY FOR NELLIE

The biggest hitting show of the day was put on at Houston, where Nellie Fox drove in four runs with a single and triple in the Colts' 7-1 victory over St. Louis. In the only other game played, Bob Skinner's error gave San Francisco two eighth-inning runs and a 5-2 triumph over Cincinnati.

The Chicago at Baltimore and Philadelphia at New York Mets games also were rained out. The other clubs were not scheduled.

Sadowski had retired 21 Dodgers in a row when they finally scored in the ninth on a single by Tommy Davis and Ron Fairly's triple. Gene Oliver stroked three hits for the Braves, Lee Maye hit a homer and Frank Bollins drove in three runs with two run-scoring singles and a bases-loaded walk. Nick Willhite was the loser.

Bill Monbouquette, who allowed seven hits before leaving after eight innings because of arm trouble, and Dick Radatz combined to shut out the Yankees. Dick Stuart drove in two runs for the Red Sox with a pair of singles and rookie Tony Conigliaro hit his second homer of the season. Rookie Bob Meyer took the loss.

Above is the Bermudian Springs High School baseball squad which is still seeking its initial victory after dropping its first seven games. The Eagles were scheduled to play at Littlestown tonight at 7:30 under the lights in a county league game but the heavy rainfall was practically certain to force a postponement.

Front row, left to right, Albert Heiko, Don McCauslin, Larry Herren Reid McCauslin, James Harbold, Todd Tanger; middle row, Dave Griffie, manager; Ed Redrock, Jim Hoff, Ronald Tate, William Smyers, Tom Harbold, Grafton Wagner, Tom Mummert, manager; top row, Glenn Kemper, coach; Philip Aldinger, Robert Baker, Parker Lerew, Barry Gruver, Paul Fleshman, Don Merrison, assistant coach. BELGIAN WINS HIS EASIEST BOSTON RACE

BOSTON AP)—Elfin-like Aurele Van den Driessche heads back to Belgium today after winning his "easiest ever" marathon and stamping himself as one of the world's top Olympic threats.

But seven months ago the 30-year-old Belgian was afraid his running career was behind him.

"I had 175 shots in 28 days last September," said "Vandy," his usually beaming face now turned serious. He pointed to his upper left thigh.

"KEPT RUNNING"

"It was sciatica (inflammation of the long nerve running up the back of the upper leg) and I couldn't even walk, let alone run."

"I was pretty worried. I was unable to run for three months. And then I forced myself to run along like this," he said, holding his left leg and limping across his hotel room floor.

"I went out and kept running finally, limping along. Two miles I needed one hour to run."

Van den Driessche, finding the Boston A.A. Marathon hills "perfect for me," won the 26-mile, 385-yard run from Hopkinton to downtown Boston Monday in near-record time of 2.19:59, showing no signs of tiredness.

It was his second straight victory here and the course record holder (2.18:58 last year) vowed he will make it three in a row next year.

"Yes, I'll come back next year," he said in answer to a question, "and if there's a westerly wind I'll do it in record time."

The 128-pound Belgian said the wind has been in his face the past two years.

Van den Driessche, a study master at a trade school in Waregem, Belgium, said he "never had an easier race." He stayed with a front-running group until the final few miles, then moved into a comfortable lead and won going away.

TO BREAK TIE IN CUP PLAY

TORONTO (AP)—It would not be surprising if Detroit Red Wings' Coach Sid Abel used his younger players more frequently against the Toronto Maple Leafs in tonight's fifth game of the Stanley Cup National Hockey League playoff finals.

Abel was criticized for leaving the youngsters on the bench most of the time Saturday night as the Maple Leafs downed Detroit 4-2 to tie the best-of-seven series at 2-2.

"It is always the same," one of the critics noted. "When he gets in trouble, he leaves them on the bench. It doesn't do anything for their confidence. Bruce MacGregor played only half his usual time but still scored one of the goals."

The critic, unidentified, was quoted in the Toronto Globe and Mail. The Canadian newspapers follow hockey assiduously.

The Red Wings arrived here late Monday and went to their nearby motel headquarters. Abel continued to rest his team while Punch Imlach's Maple Leafs skated again Monday after a brief workout Sunday.

Detroit, which has not beaten Toronto in a Cup final since 1936, is in good shape physically despite the bruising series.

EDDIE DYER, 63, EX-MANAGER OF CARDS, DIES

HOUSTON (AP)—Eddie Dyer, the muffin-faced former St. Louis Cardinals' manager known for his friendly wave and "hiya, pal" greeting, is dead at 63 after a lingering illness.

The manager of the 1946 world champion Cardinals died in a hospital Monday, two years, three months and 18 days after he suffered a stroke in Dallas, Jan. 2, 1962.

Funeral services were planned for noon Wednesday.

23 YEARS WITH CARDS

Dyer, whose friendly wave and verbal greeting were his trademarks, was with the Cardinal organization 23 years, as a player, manager and coach.

He returned to Houston in 1950 and became successful in business interests which included insurance, oil and real estate.

Ironically, his death came just 2½ hours before his beloved Redbirds met and lost to the Houston Colts.

Before the game the fans at Colt Stadium stood for a moment of silence in tribute to the friend of all sports in Houston.

PLAYED TO 1927

A native of Morgan City, La., Dyer attended Rice University, playing both baseball and football before jumping to the Cardinals as a pitcher in 1922.

He shut out the Chicago Cubs 3-0 in his first major league start and remained with the club until a sore arm terminated his playing career in 1927.

Dyer returned to Rice as coach of the freshman football team which produced stars Ernie Lain and Ollie Cordill in 1936. He managed Houston's Texas League Buffs in 1939-40-41, winning pennants each season.

DEVELOPED STARS

Dyer developed some of the Cardinals' brightest stars while managing the Buffs, then a St. Louis farm team. Howie Pollet, Ted Wilks, Red Munger, Harry Brecheen, Jack Angle, Danny Murtaugh, Jeff Cross, Nick Cullop and Red Davis were among his "boys" at Houston.

Many of them were still with him when he piloted St. Louis to the 1946 National League pennant and when the Cards beat the Boston Red Sox four games to three in the World Series.

Dyer remained as manager of the Cardinals through 1950.

Dyer leaves his widow, the former Geraldine Jennings, a Rice sweetheart in 1925, and a son, Eddie Jr., a business associate.

REJECTION OF CLAY BRINGS PROBE DEMAND

WASHINGTON (AP) — Rep. Frank T. Bow, R-Ohio, has called on the House Armed Services Committee to conduct an intensive investigation of the Selective Service system—centered around the recent rejection of heavyweight boxing champion Cassius Clay.

The Army, meanwhile, in a letter from Secretary of the Army Stephen Ailes to committee Chairman Carl Vinson, D-Ga., said Clay was rejected after he "honestly and truly" failed draft mental tests, and it was confirmed by experts that he did not fake the results to avoid induction.

WRITES VINSON

Bow said:

"It is difficult to believe that Cassius Clay cannot pass the simple mental examinations. It is difficult to resist the thought that he was rejected because the Army did not know what to do with him if they had him."

Clay was rejected following tests both before and after he won the championship from Sonny Liston last Feb. 25.

In the letter to Vinson, which was made public Monday, Ailes said that, when Clay was examined Jan. 24 in Coral Gables, Fla., he "met all the requirements for induction except the mental standards."

The secretary said Clay then was "given additional testing and psychological evaluations to determine if he was a true or deliberate failure. . . (and) it was determined by the personnel psychologist that Clay was a true failure and gave no evidence of malingering."

FINLEY HAS NEW WRINKLES FOR HIS TEAM

KANSAS CITY (AP)—Charles O. Finley has a couple of new wrinkles for his Kansas City Athletics to use tonight as a face lifter for the club's battered image at home.

In their home opener against Cleveland's Indians, the Athletics will take the field wearing uniform colors that Finley describes as "misty green" and "wedding gown white."

Finley hasn't deserted last year's colors, which he calls "Kelly Green" and "Finley gold." He bought two sets of uniforms and said the team will alternate color schemes.

LIGHTS AND HORNS

And if one of his players hits a home run, Finley will display his other new gimmick — 60 whirling colored lights and three huge horns that can smother a foghorn.

The Athletics' image became tarnished through winter-long bickering between Finley and the City Council and Finley's efforts to move the franchise to Louisville, or Dallas, or Oakland, or anywhere.

Fewer than 1,900 season tickets were sold after the American League finally convinced Finley that the franchise is going to stay in Kansas City.

Now it's up to the players to pull in the customers who are willing to pay to see good baseball. About 25,000 are expected tonight.

State Gets $281,811 At Track In 8 Days

HARRISBURG (AP) — Pennsylvania has collected $281,811 in taxes on wagering during the first eight days of harness racing at Liberty Bell Track in Philadelphia.

The State Revenue Department reported Monday that tax collections this year were $66,000 ahead of the comparable period for 1963, the first year that harness racing was legal in Pennsylvania.

MAUCH UPSET BY "SWITCH" IN ROTATION

NEW YORK (AP) — Among those somewhat distressed with Monday's weather was Philadelphia Phillies Manager Gene Mauch.

"It upsets our pitching rotation a little," Mauch said after rain and wet grounds caused postponement of their scheduled game with the New York Mets at Shea Stadium.

"I had planned to give (Chris) Short a start here, but now he'll have to wait."

Mauch—his Phils leading the National League with four wins in five games—will have Jim Bunning on the mound today facing the Mets' Tracy Stallard. Both are righthanders.

The Phillies return home to meet the Pittsburgh Pirates Wednesday and Thursday night, then play the Chicago Cubs Friday and Saturday nights and Sunday afternoon.

PLEASED WITH ALLEN

If Mauch was a little disturbed by the rains Monday, conversation about rookie Richie Allen brightened his day somewhat.

Allen, a 22-year-old slugger from Wampum, Pa., has nine hits in the Phillies' five games, for a .629 average, with seven rbis and three home runs.

"There's just no telling how good this kid can be," Mauch said.

"The thing that impresses me most is his professional approach to the game. He doesn't get way up when things are going good, or way down when they're going bad.

"And that's the best approach to any professional sport."

MANY STARS SAY PRO GOLF NEEDS CZAR

By WILL GRIMSLEY
Associated Press Sports Writer

PALM BEACH GARDENS, Fla. (AP) — Does professional golf need a czar?

Many of the tournament players, including Arnold Palmer, insist that it does. Warren Cantrell, newly elected president of the Professional Golfers Association, argues not.

Almost all, players and executives alike, agree there is need for administrative revision, a stronger, firmer hand in the guiding of the game's destinies.

"We simply have grown too fast," says Cantrell, a Texas businessman. "We rocked along and looked up suddenly to find ourselves surrounded with a multimillion-dollar enterprise

"To keep pace, we need to adopt modern business methods."

PLAGUED BY PROBLEMS

The PGA, with a membership of more than 5,000 teaching and touring pros, moves into its new $4-million headquarters on this Florida gold coast within the next few weeks, plagued by numerous problems.

There is still some quibbling about how to pay for the $1.5-million brick and glass clubhouse which sits astride two 18-hole championship courses.

Sponsors and players are involved in a bitter dispute over who should control the mushrooming television monies.

The $2.5-million tour is getting so crowded that there are suggestions that it must be broken into two circuits, a major and minor league.

BIGGEST QUESTION

There is some agitation — quite minor at this stage — for making the tour a self-supporting project, free from PGA control.

At the moment, the biggest question involves that of a czar or a strong single executive to run the whole show.

"We need a man like the late Kennesaw Mountain Landis in baseball," says Dow Finsterwald. "He should be a man with a knowledge of all phases of the game and with unquestioned integrity."

PRESENT PLAN

Palmer, the sport's all-time leading money winner, agrees. "I would like to see a fellow like Joe Dey (executive director of the U. S. Golf Association) take over," Arnie says. "We players are not in a position to govern ourselvves."

The PGA policies are made by an executive committee composed of officers. Problems relating to the tour are handled by a committee of executives and players. Jay Hebert currently is chairman of the players' committee which also includes Dave Marr, Johnny Pott and Bob Goalby.

"Players shouldn't be allowed to make important decisions," says Paul Harney. "Their role should be in an advisory capacity strictly."

Next The tour—too big?

Three Dignitaries Pay Hunting Fines

CHATOM, Ala. (AP) — Fines of $50 and costs have been paid by a Florida congressman, a retired general and several businessmen who pleaded guilty to hunting law violations.

The hunters included U.S. Rep. Robert F. Sikes, D-Fla.; Gen. Nathan F. Twining, former chairman of the Joint Chiefs of Staff; Edward Ball, a Jacksonville, Fla., financier; and R. A. Leanard, an Aluminum Corp. of America vice president.

They pleaded guilty Monday to charges of hunting turkey over a baited field Sunday. They were among a number of guests at the hunting lodge of former Rep. Frank Boykin of Mobile.

One of the most stimulating and controversial books to emerge from the best seller lists in recent years is the timely and thought-provoking "Feminine Mystique" by Betty Freidan. The author, whose professional life (as a psychologist) and home life are interblended, attempts to evaluate the status of the American woman in today's world.

The plight of the frustrated housewife can be directly attributed to the "Feminine Mystique," a creed by which she is supposed to govern her life. This creed attempts to convince the female of the species that her place is "in the home" and that her only function in life is to be completely "feminine" — to be sexually passive, to be dominated by the male, and to produce and rear children. The mystique, which has made an automaton of the American housewife, is so strongly entrenched in today's conception of living that the woman finds it virtually impossible to escape from this creed which enslaves her.

WOMEN LEFT JOBS

The mystique first came into being at the end of World War II when women gladly and gratefully left their jobs. As the men returned to the homefront, the women returned to the homes from which they had departed to replace the men who had gone to war. This new attitude of "home first" was recognized and encouraged by mass media, women's magazines and psycho-analysts. It was perpetuated by educators, politicians and psychologists.

The watchwords "feminity" and "homemaker" have become the motto by which American women are supposed to find great and lasting fulfillment. Convincing the woman that her place is in the home has literally bound her within four walls and created a trap from which she cannot escape.

BECOMES UNEASY

Unfortunately there is no provision in the mystique for the "happy housewife" to extend herself intellectually, to tap her resources, or to develop her potential. As a result, she becomes uneasy, rebellious and discontented and is eventually forced to live vicariously through her husband and children, crippling them as she herself has been crippled by the "Feminine Mystique."

The relegation of the American woman to the role of "housewife only" has brought about a transition in the thinking of the entire nation. There is an undue emphasis on sex, teen-age marriage, momism and physical and mental deterioration. This is the problem that Betty Freidan recognizes, analyzes and seeks to solve.

One apparent reason for the controversial nature of "The Feminine Mystique" is the fact that each reader will interpret the book as it relates to his own realm of experience. The reading of the "Feminine Mystique" is a "must" for anyone interested in the American woman and the role she plays in this modern world.

Man's Death Causes Mistrial Of Cohn

NEW YORK (AP)—The U.S. District Court trial of Roy M. Cohn and Murray E. Gottesman on perjury charges has ended in a mistrial because of the death of the father of a juror.

U.S. Atty. Robert M. Morgenthau said the government will move for a new trial as soon as possible.

The jury had been deliberating four days when Judge Archie O. Dawson declared a mistrial Sunday night after a juror, Arielle Mabrey of Manhattan, had been informed that her father, James Gaston, died Sunday.

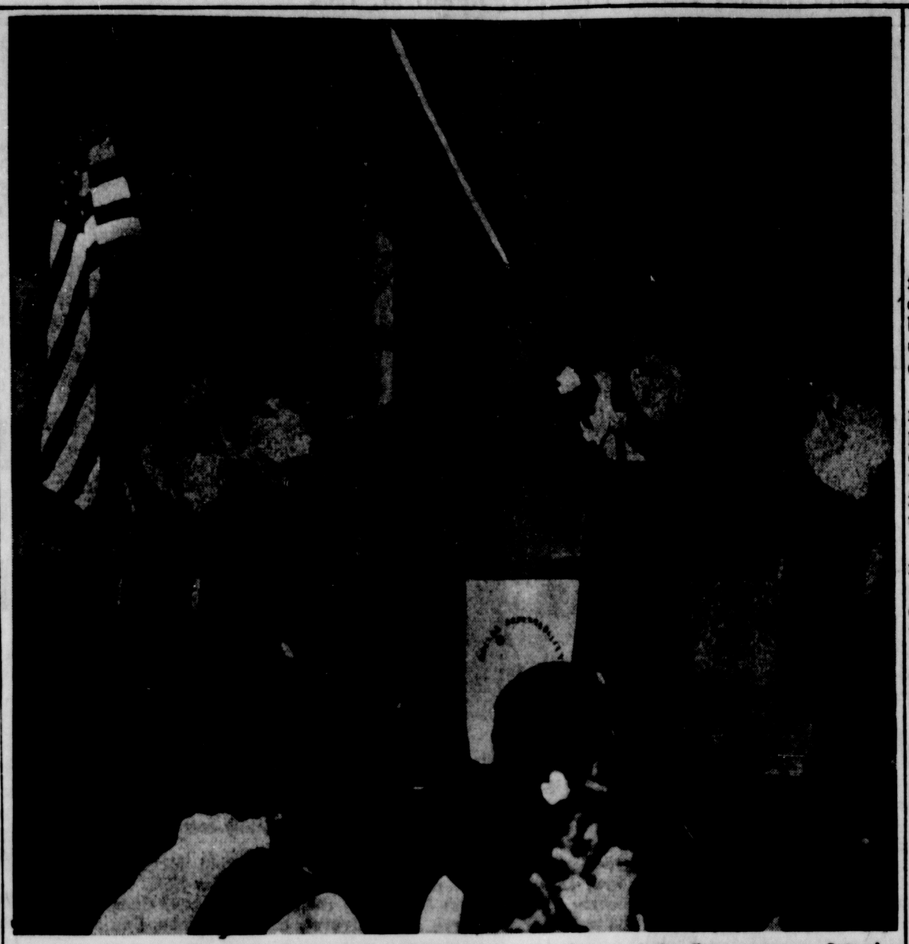

Cohn, 37, a New York lawyer and onetime aide to the late Sen. Joseph R. McCarthy, R-Wis., and Gottesman, 57, also a New York lawyer, had been on trial for a month.

Says Marines Are Harassing Cubans

HAVANA (AP) — Accusing U.S. Marines of harassing Cuban soldiers along the rim of the Guantanamo Naval Base, Fidel Castro said Sunday night he would take the case before the United Nations.

In a long, rambling broadcast marking the third anniversary of the Bay of Pigs invasion, Prime Minister Castro said Cuba would no longer tolerate violations of its sovereignty.

Castro warned that if the United States is planning any aggressive move from Guantanamo, "we remind them of the Bay of Pigs and danger to humanity of such a crisis."

James MARLOW Reports

By The Associated Press

WASHINGTON (AP)—In his first few months in office President Johnson had a phrase, both pet and pat, which he used repeatedly: "I am the only president you have."

While this was true it did not necessarily have wide voter appeal. But now Johnson has another and he's working it overtime. He keeps saying he is trying to be the president of all the people.

He used this at his Thursday news conference with reporters and visiting editors, again Friday at a White House meeting with the same editors, and again Saturday at another news conference.

NO CALAMITIES NOW

This is the kind of phrase that creates a father image of the President, a sort of shepherd of all political flocks and strays, and enables him to appear above mere party conflicts.

It would be a happy position for a Democratic politician like Johnson, at least at this time when Republicans are tearing one another's legs off in a scramble for the Republican presidential nomination.

But then Johnson is in a happy position anyway. He is not forced to defend himself against calamities at home or abroad because there are none in sight right now.

NO RIVALS FOR HIM

He has no rival in sight for his job among Democrats. He is away out front in the polls. And the presidency he occupies is a personal gold mine, not now open to Republicans, for self-publicity.

Johnson is digging the ore as hard as he can to illustrate he is a man on top of his job, like pointing with pride at his two news conferences last week to the apparent good health of the economy.

He rattled off yards of figures to show auto sales are booming, more people are employed, prices are holding steady. He is continually announcing the appointment of new commissions and of new people to new jobs.

In short, he is doing his best to stand aloof from a shouting match with Republicans, at least until the campaign gets under way late next summer. He has, of course, a highly practical reason for his restraint.

He is going to need all the Republican support he can get to put over some of his programs, particularly civil rights.

So right now, as a result of all this, Johnson is a sort of Calvin Coolidge of the 1964 presidential race. In 1924 Coolidge was in Johnson's position of today:

He had succeeded a dead president and was seeking a full term for himself. Coolidge had a natural inclination to avoid saying much more than "good morning" or "good evening."

Johnson is no Coolidge. His natural inclination is to talk and talk. But up till now he's been like Coolidge on the subject of politics, as his phrase about being president of all the people indicates.

But Johnson hasn't committed himself to remaining aloof once Congress has gone home, he gets the nomination, and the Republicans go after him in the campaign.

Just in case anyone has doubts, he put it this way:

"I would do the very best job I could as president for all the people up until convention time and then let the delegates at the convention make their choice freely, and then I would—my conduct would be determined after they made their choice."

This Johnsonian serenity may be shattered if between now and the convention there are any disasters which must be explained or defended. For Johnson is a man very sensitive to criticism and Republicans would hop on a mishap.

Nevertheless, Johnson gives the appearance of growing in self-confidence as the months pass. He is more ebullient, bouncy, irrepressible, anxious to pour out the good tidings of his administration.

BOY IS CAUGHT IN BALLOON TIE

MILL VALLEY, Calif. (AP)—Danny Nowell will be the center of attention when he tells schoolmates about his weekend adventure, but it's doubtful any will envy him.

Danny, 11, was one of several boys holding restraining ropes on a balloon piloted Saturday by William R. Berry of Concord.

To tighten his grip, Danny wrapped the rope around his wrist. When Berry signaled to cast off, Danny shot skyward with the balloon.

Screams of startled spectators went unheard in the gondola. The balloon rose to 3,000 feet before Berry heard Danny's urgent plea: "Mister, please help me."

Berry was horrified to see the boy hanging below. "Hold on. It's all right. We'll get you down," Berry assured him.

He cut off the propane burners sending hot gas into the 70-foot tall balloon and the big bag drifted down and settled in a tree. They had been aloft about 15 minutes and traveled two miles.

Danny was taken to a hospital in San Francisco where he was found to be uninjured except for a sore hand.

Crash Car Driver Suffered Attack

HAGERSTOWN, Md. (AP)—Authorities blamed an accident claimed three lives Sunday on a seizure suffered by one of the victims.

Police said an autopsy performed on the body of Fremont Armstrong, 47, of Camden, N.J., showed he had a brain tumor and indicated he was suffering a seizure at the time of the crash.

Besides Armstrong, the other victims were his wife, Virginia, 47, and Mrs. Janice Coleman, 31, of Washington, D. C.

Police said Armstrong's car began swerving from side to side, then turned in front of two oncoming autos.

Mrs. Coleman was a passenger in the auto with her husband, John, 33, and their son, Henry 4. They were hospitalized for treatment as was another passenger, Mrs. Mary Coleman, 58.

Girls have acted as, Museum Aides . . . Hospital Aides . . . Play Therapy Aides . . . Library Aides . . . Assisted with United Campaigns . . . Prepared Care Packages . . . Prepared Baskets and Favors for Hospitals and Shut-Ins.

GIRL SCOUT PROMISE

On my honor, I will try to do my duty to God and my country, to help other people at all times, to obey the Girl Scout laws.

OUR STORY—

The story of the Girl Scout Organization has been one of steady growth since its birth in 1912. More outstanding has been the successful completion of two major changes within the past three years . . . an updated Girl Scout Program and Council reorganization throughout the country. These changes were designed to provide a program for the girls in the Penn Laurel Council that is both contemporary and challenging.

The uniting of 8 Councils in 1961 enabled dedicated men and women to accomplish collectively what individual Councils were finding it difficult to do. The most marked progress in this three year period is evidenced in the strength of the Neighborhood unit. This has resulted in effective direct service to troops. The change to a four level program inspired over 5,000 adults to actively participate in a Council-wide Training Program.

The Penn Laurel Girl Scout Council looks forward to the coming year with the theme "Girl Scouting — A Promise in Action" by

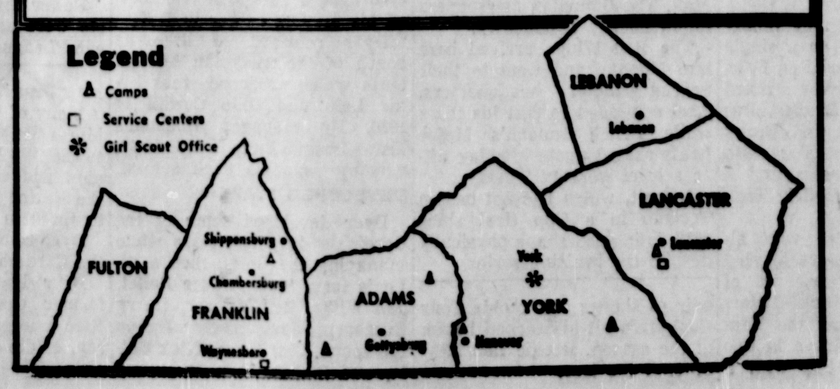

. . . Increasing the Effectiveness of Girl Scouting as a constructive force . . .
. . . Promoting Girl Scouting to reach a cross section of the girl population . . .
. . . Developing a sound program for financing the Organization.

THE PRESIDENT'S REPORT

This is a report to the stockholders of Girl Scouting in this community. The citizens who sponsor this program by their support of United Funds and Community Chests, to those who participate by giving of their time, interest, encouragement and leadership, and to those who buy cookies that build and maintain our camps.

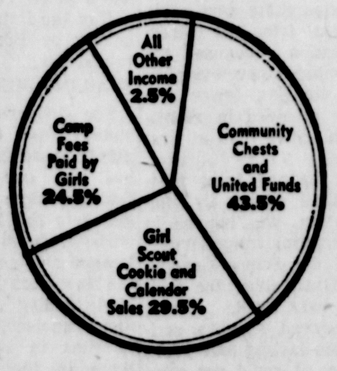

This report is to inform you of our progress, to thank you for your help, to invite your further participation, and to let you know that Girl Scouting is dedicated to leaving the world and our community a little better than we found it. Penn Laurel Council is a youth serving, character building agency. This is our written report, look to the Scout next door for results.

Girl Scouting has grown as a result of a "partnership" in which each partner has traditionally carried a share of responsibility and cost. The members of the "partnership" are: *the individual girl and her parents* who pay membership dues, camp fees, troop dues, uniforms, insignia, transportation; *the group of girls who make up the Girl Scout troop* who pay for program supplies, troop equipment, community service projects; *the Girl Scout volunteer* who pays his or her transportation; *the group of girls who make up the Girl Scout troop* who pay for program supplies, in sponsoring troops provide meeting places, light, heat and janitorial services; *the community-at-large* by supporting the costs of the Girl Scout Council through Community Chests, United Funds or independent fund drives; *the National Organization* through literature, equipment, handbooks, program aids and training.

CAMPING—

The Penn Laurel Council assures greater opportunities in all types of camping for all age levels. The use of these camps provides a progressive camping experience from Brownie to Senior. This is an exciting and attractive camping program equalled by few Girl Scout Councils in the country.

This past year Camp Rock Ford in lower Lancaster County was made available to girls for Troop and Day Camp. A new site in Lebanon County will soon be ready for additional Day and Troop Camping.

Statistics on 1963 Resident Camping —

Camp Echo Trail — York County — Girls attending 400
Camp Furnace Hills — Lancaster County — Girls attending 817
Camp Sacajawea — Franklin County — Girls attending 75

Twenty-three different Day Camps were operated from June through August serving 4,125 girls.

SAYS FOLK IN APPALACHIA MUST CHANGE

UNIVERSITY PARK, Pa. (AP) — A Kentucky educator feels the poverty-stricken people of the Southern Appalachian region must revise their basic culture if they are to improve their station in life.

Dr. Thomas H. Ford, professor of sociology and rural sociology at the University of Kentucky, told a meeting of rural sociologists this past weekend at the Pennsylvania State University:

"The one sure statement that can be made about these people is that they have always been poor."

ONE FINAL RESORT

Ford defined the Southern Appalachian region as that area of the Blue Ridge Mountains which extends 600 miles from West Virginia to Alabama, with its width ranging up to 250 miles.

If the people are to escape their poverty, he said, they must be better educated, better trained in the basic skills and retrained for new jobs where necessary.

Or, as a final resort, he suggested that they be given help to move out of the region to make a new life for themselves and their families.

Today In Washington

By THE ASSOCIATED PRESS

WASHINGTON (AP)—In the news from Washington:

RACE: Washington's Olympic Committee sponsored a bicycle race around the Ellipse Sunday to promote physical fitness. It left seven congressmen panting.

Sen. Claiborne Pell, D-R.I., was the individual winner, but a three-man Republican team piled up more points than four Democrats to capture the team competition.

Victorious Republicans included Reps. Robert Stafford, Vermont; Donald Rumsfeld, Illinois; and Silvio Conti, Massachusetts.

Democrats who competed, besides Pell, were Reps. Dante Fascell, Florida; Richard Ichord, Missouri, and Ken Gray, Illinois.

HUSSEIN: Jordan's King Hussein says communism has "suffered many setbacks" in the Middle East and is not as strong as it once was.

Interviewed on NBC's radio and television program, "Meet the Press" Sunday, Hussein reported "a general lessening of tension" in the world.

WEAPONS: Secretary of Defense Robert S. McNamara has fired back at a Republican critic, Rep. Melvin R. Laird of Wisconsin, and pointed to 208 new projects during the past three years.

In a letter to Laird Saturday, McNamara wrote that he "was concerned to notice that as reported by The Associated Press on April 6 you stated that . . . not a single new major weapon system has been developed in the last three years."

McNamara said that, of the 208 new projects, 77 have development costs of more than $10 million.

BAR HEDGES ON MUSMANNO

HARRISBURG (AP) — The board of governors of the Pennsylvania Bar Association has veered away from a formal comment on the candidacy of Justice Michael A. Musmanno for the Democratic nomination to the U.S. Senate.

A spokesman said Saturday that the board discussed "what, if any, action" it should take on the propriety of Musmanno seeking the nomination while remaining on the State Supreme Court.

Instead of addressing itself specifically to that point, the spokesman said, the board reaffirmed its adherence to Canon 30 of the American Bar Association's code of judicial ethics.

That canon, basically, calls on a judge to resign from the bench when he runs for an office that is not a judicial post.

Musmanno, the organization candidate for the nomination, has said he would resign from the court if he wins the nomination.

MUSMANNO ABSENT

PHILADELPHIA (AP)—Pennsylvania's Supreme Court opened its spring session in Philadelphia Monday without Justice Michael A. Musmanno.

Musmanno, seeking the Democratic nomination for the U.S. Senate at the April 28 primary election, announced he wouldn't participate in the current session and "will not accept my judicial salary for the month of April."

ADVERTISE IN THE TIMES

Fire Damage Down In Pa. This Year

HARRISBURG (AP) — Fire damage to Pennsylvania's forest lands is down this year as compared with last, according to current statistics of the Department of Forests and Waters.

The department reported Saturday that 140 fires have destroyed 854 acres of woodland in the state thus far this year.

This compared with 500 fires and 5,000 acres lost during the same period last year. A spokesman noted, however, that last year the weather was much drier than it presently is.

POLICY NOT TO CHANGE ON PA. SPEEDERS

HARRISBURG (AP) — There is no change planned in the state's 15-mile-an-hour tolerance for first-offense speeders, according to the state commissioner of traffic safety.

Harry H. Brainerd said over the weekend that the Scranton administration decided last week to retain the tolerance "as it is."

Brainerd said he discussed the matter with Theodore B. Smith Jr., secretary of revenue, and E. Wilson Purdy, state police commissioner, and they agreed to keep the tolerance at 15 miles per hour.

Gov. Scranton concurred in their thinking, Brainerd added.

The discussion came about after the Philadelphia Chamber of Commerce urged the administration to move the tolerance back to 10 miles per hour.

Brainerd instituted a policy last July which provided that drivers arrested on their first speeding violation are given only a warning if not exceeding the posted limit by more than 15 miles per hour.

Beginning at 16 miles an hour, licenses are suspended for a minimum of 30 days.

Youth Killed In Phila. Violence

PHILADELPHIA (AP) — One youth was dead and another critically hurt with a stab wound in the head as a result of weekend juvenile violence in the city of brotherly love.

Asbury Newton Jr., 18, was fatally wounded with a shotgun blast Friday night. Two others suffered wounds in that incident and two youths were arrested, according to police.

Saturday a melee erupted in the Germantown section of the city and in it Willie Dixon, 16, suffered a stab wound in the head. Police arrested 13 youths in that incident, including Mark West, 16, who suffered a stab wound in the hand.

A number of charges were lodged against the 13, including assault with intent to kill, said police.

NURSE IS CAPPED

Miss Diane Lee Wolf, daughter of Mr. and Mrs. Charles E. Wolf, 121 Baltimore St., was "capped" Friday evening in capping exercises at the Reading Hospital School of Nursing, where she is a student nurse. She was one of 125 student nurses to complete the six-month period of preclinical instruction. She is a graduate of Gettysburg High School and attended Albright College for two years prior to entering nursing school.

HOW GOODLING VOTED

The Associated Press reported from Washington today that Congressman George A. Goodling voted for passage of the $6,908,063,000 appropriation bill for the Labor and Welfare Departments. It passed 344-21. He also voted for a bill to facilitate implementation of the Chamizal treaty with Mexico. The bill passed 347-5.

4 SENTENCED

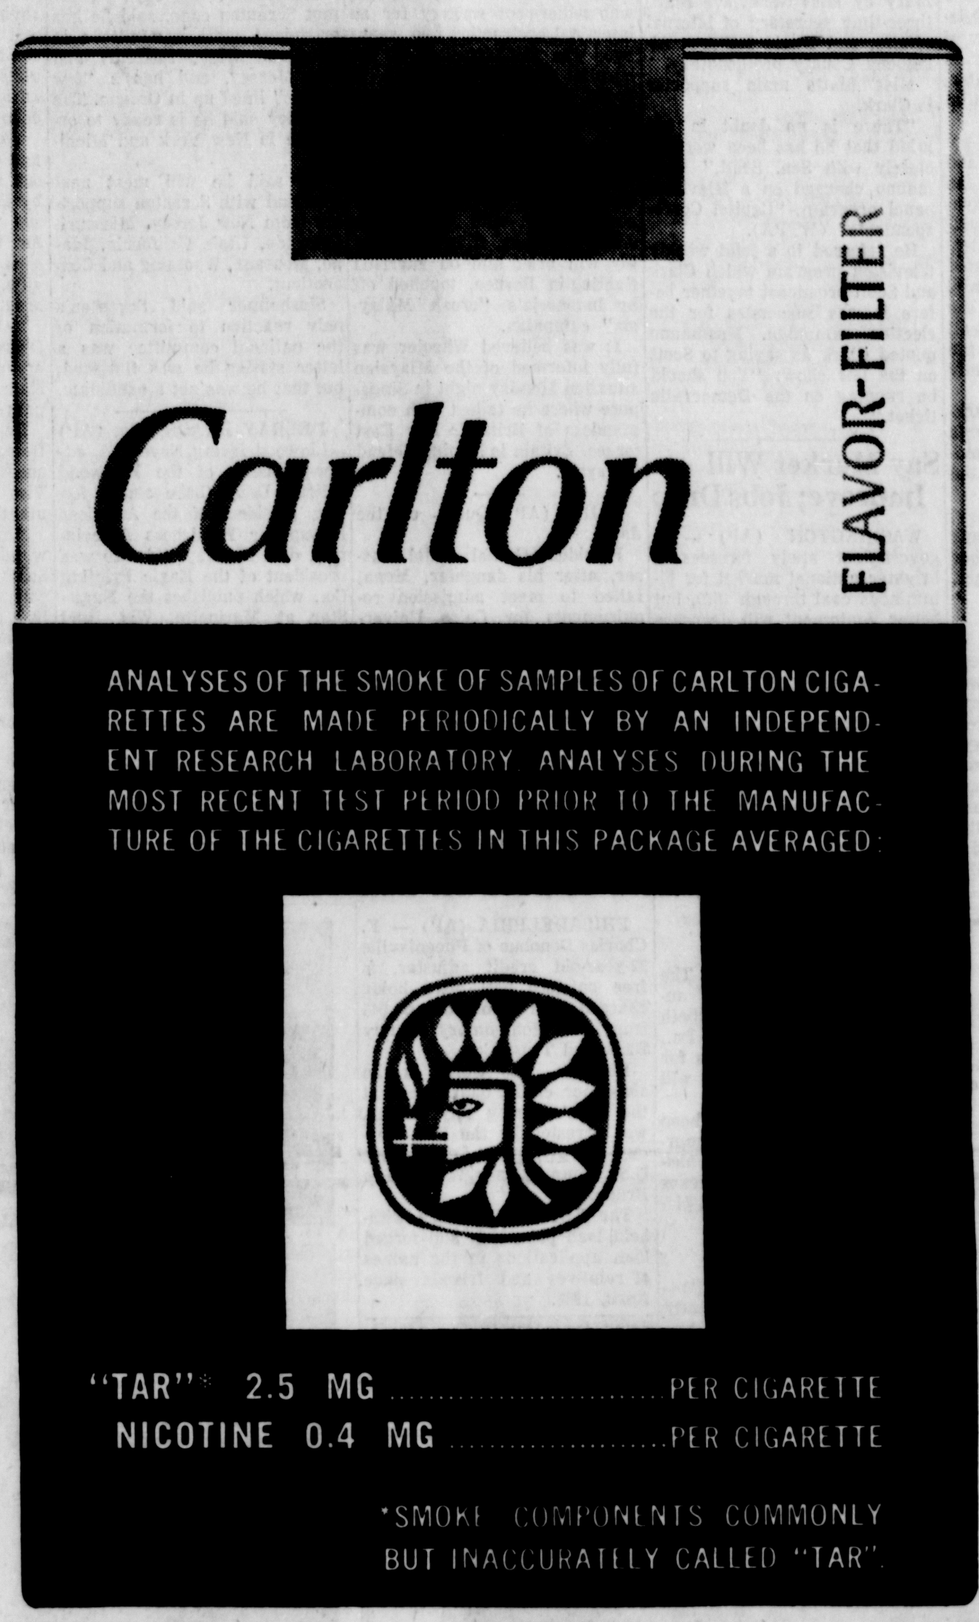

BRUNSWICK, Germany (AP) —Four former officers of a Nazi extermination squad were sentenced Monday to prison terms of four or five years for their part in the wartime massacre of 5,200 Jews in eastern Poland.

Military Draft Will Be Reviewed

WASHINGTON (AP) — President Johnson has ordered the Pentagon to review the military draft with "the possibility of meeting our requirements on an entirely voluntary basis in the next decade."

Johnson made the announcement at a news conference Saturday and conceded that there are inequities in the conscription system. The President recalled that he had helped legislate the first peacetime draft in 1940.

ADVERTISE IN THE TIMES

First Lady Prefers Nine Hour Car Ride To Capital Than Chance Plane Crash

By FRANCES LEWINE

WASHINGTON (AP) — Mrs. Lyndon B. Johnson took on a nine-hour motorcade ride home from Cleveland in heavy rain and fog Monday night, rather than try another bad - weather airplane ride.

She thought she'd "enjoy the adventure of driving" after an explosive - like lightning discharge frightened her and passengers aboard a United Airlines Viscount Monday.

The drive back proved to be an adventure, too, and Secret Service veterans said it probably will go down in their records as the longest auto trip ever taken by a First Lady.

DINNER AT RESTAURANT

Enroute, the President's wife stopped off for dinner at a Howard Johnson's restaurant, where she took a few minutes in the manager's office to telephone the White House to talk to her husband.

There was a private dining room set aside, under advance radio instructions, where steaks were ordered for all in the party of 19.

Later, her borrowed Cadillac developed mechanical trouble. No turnpike motorist ever got more speedy service. The car was driven right inside a service garage and the First Lady didn't even get out. Three waiting mechanics swooped down on the engine, quickly found the trouble — "the fuel filter was blocked" — and had a new filter installed in five minutes flat. She thanked the head mechanic and the motorcade moved on into the rainy night.

348-MILE DRIVE

When the First Lady made her impromptu decision to take the 348-mile drive back to Washington, she tested the ingenuity of the Secret Service.

It proved ready, even down to providing pillows and blankets for the long journey.

Four cars already had been borrowed for Mrs. Johnson's day-long visit to Cleveland to speak at a YWCA convention and to see a public housing development for the elderly.

Cleveland's entire available force of Secret Service agents—five of them—joined two White House agents to do the driving and protect the First Lady's entourage.

POLICE ALERTED

Their passengers included Mrs. Johnson, White House physician Dr. Janet Travell, Public Housing Administrator Marie McGuire, Mrs. Anthony Celebrezze, wife of the secretary of welfare; the First Lady's press secretary, Elizabeth Carpenter, five reporters and a presidential photographer.

All along the route, state police of Ohio, Pennsylvania and Maryland and patrolmen of the District of Columbia neatly synchronized to take turns providing lead and back - up patrol cars. Walkie - talkies connected all the cars of the motorcade.

Departing at 4:29 p.m., the agents made it plain that all speed limits—65 to 70 on the turnpikes—would be held firmly on the slick-wet roads.

The White House was darkened, except for the President's office, when Mrs. Johnson's motorcade finally pulled into the southwest gate at 1:23 a.m.

Despite the tiring journey, Mrs. Johnson took time to thank everyone who had joined in her saga and to wave a good night.

URGES SWEEPSTAKES

WILMINGTON, Del. (AP) — John Oboryshko Jr., president of the Federation of Delaware Teachers, AFL-CIO, has proposed a statewide sweepstakes, as one of three alternative ways of raising money for education.

The other alternatives mentioned Monday were an increase of five or ten per cent in the state income tax, and consolidation of all Delaware school districts into four large ones.

SAYS CLARK IS FOR SCOTT

HARRISBURG (AP) — Justice Michael A. Musmanno, a member of the State Supreme Court seeking the Democratic nomination to the U.S. Senate, accused Pennsylvania's Democratic senator Monday night of working for the re-election of the state's Republican senator.

Musmanno was referring to Sen. Joseph S. Clark, Democrat and Hugh Scott, Republican, whom the 66-year-old jusist hopes to unseat.

Musmanno, the Democratic organization backed candidate, is opposed in the April 28 primary by Miss Genevieve Blatt, three-time secretary of internal affairs, and David Roberts, Allegheny County prothonotary.

Miss Blatts main supporter is Clark.

"There is no doubt in my mind that he has been working closely with Sen. Scott," Musmanno charged on a television panel program, "Capitol Correspondents" (WTPA).

He referred to a joint weekly television program which Clark and Scott broadcast together before it was suspended for the election campaign. Musmanno quoted Clark as saying to Scott on the law show: "You should be running on the Democratic ticket."

Say Market Will Improve; Jobs Drop

WASHINGTON (AP) — A government study foresees a brighter national market for bituminous coal through 1970, but better equipment will decrease the number of miners.

A study prepared for the president's Committee on Labor Management noted Monday that reduced transportation costs enhance the outlook for bituminous coal. It pointed to a new developments such as power transmission from generators in mine fields, the coal slurry pipeline and the unit train which can be loaded and unloaded without uncoupling its cars.

TO FREE WOMAN

TRENTON, N.J. (AP) — The State Parole Board has announced that Mrs. Elizabeth Sherwood of Doylestown, Pa., who has served eight years for the killing of her husband, will be released next month.

Mrs. Sherwood, 50, had been convicted of second degree murder and sentenced to 25-30 years in prison, for shooting her husband, Jerome, with a target pistol Feb. 6, 1956.

BEARD PLANS ACTION

LAS VEGAS, Nev. (AP)—Frank Beard, stricken recently with a form of meningitis, says he has recovered enough to golf in the $65,000 Tournament of Champions.

Beard says he has been practicing for a week. His acceptance of a bid to play means 29 golfers will take part in the four - day tournament starting April 30.

People In The News

COPENHAGEN (AP) — The Rev. Dominique Pire, Belgian Roman Catholic priest who won the 1958 Nobel Peace Prize, has been awarded the annual Sonning prize for "meritorious work for the advancement of European culture."

Father Pire is noted for his humanitarian work with European and Asian refugees.

The prize, worth $16,430, was presented at Copenhagen's university Monday. Previous winners include Albert Schweitzer and Bertrand Russell.

MONTE CARLO (AP)—Foreign Minister Paul-Henri Spaak, who underwent surgery for an intestinal obstruction two weeks ago, was discharged from the hospital today. He plans to spend the next two weeks convalescing in a Riviera hotel.

KUALA LUMPUR (AP) — Gen. Earle Wheeler, U.S. Army chief of staff, arrived today for conferences with Malaysian military leaders. They presumably will brief him on guerrilla fighting in Borneo, touched off by Indonesia's "crush Malaysia" campaign.

It was believed Wheeler was fully informed of the Mlaysian situation Monday night in Singapore where he talked with commanders of Britain's Far East forces. Britain is helping defend Malaysia.

CAIRO (AP)—Quote of the day:

President Gamal Abdel Nasser, after his daughter, Mona, failed to meet admission requirements for Cairo University; "I'm proud that while the son of a farmer managed to join the university, the daughter of the president of the republic could not because she didn't obtain the necessary marks. This means equality of opportunity for everybody in our country."

Credit Adjuster Is Free On Bail

PHILADELPHIA (AP) — F. Charles Donohue of Phoenixville 32-year-old credit adjuster, is free on $500 bail after being charged with embezzling $5,045 from the Montgomery County Bank and Trust Co.

Donohue, who works in the consumer credit department at the bank's Spring City branch, was arrested by the FBI Monday and given a hearing before U.S. Commissioner William Bruno.

The FBI said Donohue withheld loan payments and forged loan applications in the names of relatives and friends since April, 1961.

NEW YORKER FOR SCRANTON

NEW YORK (AP) — A New York lawyer says he is accelerating a drive to get Gov. William W. Scranton of Pennsylvania the Republican Presidential Nomination.

Warren J. Sinsheimer said Monday he will increase activity of a national Scranton-for-President committee, which he set up last Jan. 13, despite the Governor's statements that he is not an active candidate and would accept only a draft if the GOP presidential convention became deadlocked over a candidate.

Sinsheimer, who says he has met Scranton once, said he has organized state committees in Colorado, Utah, Missouri and New Jersey, and has a "few people" lined up in Oregon. The attorney said he is ready to organize in New York and Michigan.

He said he will meet next weekend with Scranton supporters from New Jersey, Missouri, Colorado, Utah, California, Idaho, Montana, Wyoming and Connecticut.

Sinsheimer said Scranton's only reaction to formation of the national committee was a letter stating he was flattered, but that he was not a candidate.

DELRAY BEACH, Fla. (AP) —Linwood Irving Noyes, 69, editor-publisher of the Ironwood (Mich.) Daily Globe and a former president of the American Newspaper Publishers Association, died Monday. He also was president of the Eagle Printing Co., which publishes the Eagle-Star at Marinette, Wis., and secretary of the News Publishing Co., which publishes the News-Herald at Marshfield, Wis.

BEVERLY HILLS, Calif. (AP) — Robert Erwin Reuben, 45, a former war correspondent who covered the major battles of World War II, died Monday of cancer. He began his career in 1941 with United Press and later worked as a correspondent of Reuters and the National Broadcasting Co.

Today In Washington

WASHINGTON (AP)—In the news from Washington:

RUSK: Secretary of State Dean Rusk returned Monday from his inspection tour of South Viet Nam and said the new Vietnamese ruler, Maj. Gen. Nguyen Khanh, is "on the right track and making progress."

Rusk reported to President Johnson on his 10-day trip to Manila, Formosa and South Viet Nam.

CENSUS: The government hopes to learn in an elaborate experiment next month whether it can conduct a good share of the next census by mail, thus saving several million dollars.

It cost about 30 cents a person to count the 180 million population in 1960 and there will be an additional 25 million or so to count in the next census.

To get an idea what percentage of the population would fill out a simple census form sent by the mail, a sample test census will be conducted May 14 for the estimated 750,000 persons in the vicinity of Louisville, Ky., and a nearby Indiana area.

MORSE: Sen. Wayne Morse, D-Ore., has challenged supporters of U.S. policies in South Viet Nam to try to get Congress to pass "a declaration of war."

He took the floor after five Democratic colleagues took issue with his labeling the South Viet Nam fighting as "McNamara's war."

Morse, who has demanded the withdrawal of U.S. troops from South Viet Nam, described his colleagues' speeches as "largely a defense of the patriotism" of Secretary of Defense Robert S. McNamara and a tribute to his brilliance as an administrator.

Morse said he would second that but declared: "Not one voice has yet answered my contention that the United States, under the leadership of Defense Secretary McNamara, is fighting an illegal and unwise war in Viet Nam. That is why I call it McNamara's war."

WET WEATHER IN MANY AREAS

By THE ASSOCIATED PRESS

Wet and cloudy weather covered broad areas of the nation today after an outbreak of violent thunderstorms and tornadic winds in central sections.

The rain and cloudy weather extended into areas of 26 states from Texas to Minnesota and from the central Rockies eastward to southern New England and the mid-Atlantic states.

Thunderstorms and showers continued during the night and early morning in sections of the Midwest and parts of the southern Plains. A thunderstorm squall line moved eastward across southwest Missouri, setting off locally heavy rain and strong winds. Funnel clouds were reported near Joplin and Nevada. Strong winds lashed Greenfield, about 35 miles northwest of Springfield, Mo.

The Weather Bureau reported tornadoes hit widely separated areas Monday in Texas, Oklahoma, Kansas, Nebraska, Iowa and Missouri, causing property damage. No serious injuries were reported.

Coolest weather was in parts of New England with temperatures in the upper 20s in northern Maine. They ranged to the 70s along the Gulf Coast.

News Briefs

NEWTOWN, Pa. (AP) — John R. Griffith, 54, of Fallsington, Bucks County, was killed Monday when the tractor he was operating to tow a truck out of the mud overturned and crushed him.

Griffith was working as a maintenance man at the Northampton Valley Golf Club near here.

WASHINGTON (AP) — The Community Facilities Administration announced Monday a loan of $300,000 for a new dormitory at Pennsylvania Military College, Chester Pa. The dormitory will accommodate 72 students.

A Lovelier You

By MARY SUE MILLER

THE HOLLOW GESTURE. To be considered gracious in social situations, knowing the right thing to do at the right time is

not the end-all. Mannerly conduct becomes a sham, even an affront, unless it has the support of well-mannered thoughts.

To exemplify: Anne calls Lucy to inquire for a sick child. And it's a good show of manners. But, if Anne drags out the conversation, she reveals a lack of any real concern for either the mother or child. The call, of course, becomes an empty gesture.

All of us are subjected to instances of hollow courtesy. Let's examine the more cloying ones: How about the hostess who asks, "What night can you come to dinner?" It is gracious of her to invite you, but not to trap you.

At parties there is the damsel who so politely expresses her pleasure at seeing you and then eye hops, not listening to a word you say. Quite as disconcerting is the woman who does all the talking, while you have to listen and listen. She thinks to entertain you, but her manners demand a second thought.

The worst offense perhaps is prying, personal questions asked under the guise of polite interest. To parry the question, one has to be a master of tact or rudeness will out. And returning rudeness with rudeness is as unthinkable for a lovely as doing the right thing for the wrong reasons.

WINNING MANNERS

To open a door on increased poise and popularity, send for our booklet, WINNING MANNERS. Topics included are introductions, invitations, table manners, the charming hostess, you—the guest, dating manners, formal dances, travel tips and tipping, small points, like when to wear a hat or check your coat. FIVE ESCAPEES RECAPTURED

PLATTSMOUTH, Neb. (AP) —Five dangerous convicts who chipped through a massive prison wall to freedom are back where they started

A posse tracked them down in a Missouri River game preserve Sunday. They were free less than 20 hours.

The five wriggled through a narrow, six-foot tunnel, scaled a 10-foot fence and disappeared from the state penitentiary at Lincoln Saturday evening.

The convicts, described as extremely dangerous by Maurice Sigler, Nebraska penal complex warden, are Dale D. Carstens of Lincoln, 25, serving life for second-degree murder; Charles E. Dean, 27, of Omaha, serving 20 years for rape; Richard Hubert Ruhr, 38, Omaha, serving 10 years for manslaughter; Richard Duane Lavender, 23, Kankakee, Ill., serving one to four years for escape and car theft, and Frank Hancock, 25, Lincoln, serving five years for burglary with additional terms for escape and auto theft pending.

Expect 3,000 Reds Will Leave Cuba

WASHINGTON (AP) — U.S. officials expect 3,000 Soviet troops to be withdrawn from Cuba in the next two or three weeks, reducing the Soviet military contingent on the island to a 600 to 800-man advisory and training mission.

The Russians have been methodically reducing their forces while steaily building up Cuba's, and Washington understands the Soviets will turn over to the Cubans operation of 24 antiaircraft missile bases.

Three Youths Are Held For Murder

ABINGTON, Pa. (AP)—Three youths were held in Montgomery County Prison in Norristown without bail today, awaiting Wednesday's hearing on charges stemming from the murder of Eugene T. Jordan, 62.

Jordan was shot last Thursday in the grocery he operated in nearby Glenside, apparently during a holdup attempt.

Daniel O'Neill, 19, of Lacey Park, Warminster Township, Bucks County; David Brown, 19, of Ardsley, and Michael McCaffrey, 18, also Lacey Park, were arraigned Saturday.

Justice of the Peace Howard Nice held them for further hearing to permit them to obtain counsel.

Police said they traced the youths after a four-year-old boy at play found the murder wea hidden in a parked car.

"I can certainly recommend an electric range. We have one at home."

7 OUT OF 10 APPLIANCE SALESMEN IN THIS AREA HAVE FLAMELESS ELECTRIC RANGES IN THEIR OWN HOMES!

This isn't surprising. After all, these men *know* ranges. They have every opportunity to see just how a range performs . . . to study its features . . . to hear what users have to say. And an overwhelming majority of local appliance salesmen agree that *flameless electric ranges cook rings around the rest!*

Any woman can be a better cook—automatically—with an electric range. It brings out the full flavor of food . . . gives dependable recipe-perfect results time after time. And here are some of the other reasons why an electric range belongs in your kitchen.

- It's *clean*—and easy to keep that way. Keeps your kitchen cleaner, too.
- It's *cool*—even when you use the oven on a summer day.
- It's *fast*—the new models are the fastest ever.
- It's *fully automatic*. Just set the controls and go on about your other duties—or even leave the house!
- It's *dependable*, every time. No "up and down" heat when you cook electrically.

Take it from the men who sell appliances. A flameless electric range is a big step toward having the beautiful, convenient, modern kitchen every woman wants. See the new models—in scores of sizes and colors—at your appliance dealer's showroom now.

James MARLOW Reports

By The Associated Press

WASHINGTON (AP)—Almost 19 years of cold war secrecy, and all that means in skepticism about Communists, has had a freezing effect on the American mind.

The reaction to a Communist move, even when it sounds peaceful, is almost predictable.

Suspicions of the Soviet Union popped up immediately in Congress Monday after President Johnson announced to an AP luncheon in New York and Premier Khrushchev disclosed in Moscow they were cutting production of material for nuclear weapons.

CHECKUP NOT NEEDED

The suspicions went like this: "How do we know Khrushchev will keep his word? Will he let us into Russia to check to make sure? We need proof." In short, is he up to tricks?

But all this overlooks the point: In this case it doesn't matter whether he's playing tricks or not. Johnson said this country has more material for weapons than it needs.

Therefore, continuing to produce it without needing it is wasting money. Johnson put it this way: "We must not operate a WPA nuclear project just to provide employment when our needs have been met."

SAME PROBLEM THERE

The Soviets have the same problem of overproduction of nuclear weapon material, as do the British, but Khrushchev in his announcement tried to pitch his decision on a lofty plane.

He said the cutback was an "opportunity for improving mutual understanding." The British were to announce a cutback today. Actually, they put the brake on last year.

Either Johnson is right or wrong in his decision. If he is wrong, he may be jeopardizing the country. But it must be assumed he would not have made his decision without the advice of his military and atomic experts.

IF HE'S RIGHT

So, if he's right, it can make no difference what Khrushchev does about cutting back. If the Russians have more material than they need but keep on producing it, then they're wasting money.

Another question was raised: Is this a step toward disarmament? Johnson anticipated such a question before making his announcement and answered it as follows:

"This is not disarmament. This is not a declaration of peace. But it is a hopeful sign and it is a step forward which we welcome and which we can take in hope that the world may yet, one day, live without fear of war."

AMERICAN POSITION

In the case of disarmament the consistent American position has been that inspection would be needed, and it is easy to see why it would be needed in that case but not in Johnson's cutback decision of Monday.

If the United States and the Soviet Union for instance, agreed to destroy a certain number of missiles and nuclear warheads, this country could never be sure the Soviets were not cheating unless they permitted inspection.

Without such proof, this country would be a first-class sap to destroy a single one of its weapons for if that continued, it could wind up at the mercy of the fully armed Russians.

LONG WAY OFF

But any disarmament agreement is a long way off. Johnson, ever since taking office, has been communicating with Khrushchev privately but reporters were told the two men's decisions of Monday were not a deal.

For the reasons explained above there didn't have to be a deal.

But that probably won't stop suspicions about the whole business although it would be hard to explain why this country should produce what it did not need, no matter what the Russians did.

It's possible that moves like this one by both countries may lead to better understanding, but that's for extra.

Wave Of Vandalism Hits Jacksonville

JACKSONVILLE, Fla. (AP)—Policemen worked on prolonged shifts today against a wave of vandalism and racial unrest that ended a three-week truce Monday.

Two bus drivers and a garbage truck worker, all white, reported to police they were attacked by bands of teen-age Negroes in a Negro section of Jacksonville.

There were numerous incidents of vandalism, mostly broken windows. This was a type of vandalism which accompanied racial unrest here a month ago and in 1960.

MOSCOW (AP) — Col. Gen. Nikolai Alexandrov, a member of the Soviet Military Council, has died unexpectedly, the Communist party newspaper Pravda reported today. It gave no details.

Saigon Has Its Bloodiest Week

SAIGON, South Viet Nam (AP)—South Vietnamese forces have had their bloodiest week of war, with 200 dead and 660 wounded in action against the Communist Viet Cong, an American spokesman reported today.

Another 140 were wounded in engagements of the past week, when Communists made sharp thrusts in the Mekong River delta.

The most severe engagement was at Kien Long, near Ca Mau, in which nearly 300 government troops were killed or wounded.

The Viet Cong suffered 710 casualties, most of them killed, the spokesman claimed.

LONDON (AP)—A power failure which blacked out much of London Monday night was blamed on two simultaneous accidents—a fire at a generating plant and a relay station breakdown.

The failure put Buckingham Palace and Picadilly Circus into darkness.

Subway trains were stranded and even the Windmill burlesque theater, which boasts it never closed during World War II was forced to cancel its night show. Another casualty was the opening of the British Broadcasting Corp.'s new channel 2, which had to be postponed 24 hours.

A spokesman for the Central Electricity Board said normal supplies were restored to the city this morning by emergency hookups into the national power grid.

PARIS (AP) — French President Charles de Gaulle, recovering from a prostate operation, resumed some of his duties from his hospital bed today.

A medical bulletin today said De Gaulle, 73, is expected to remain in the hospital for another week or 10 days.

LOS ANGELES (AP) — The home of singer Judy Garland and her estranged husband, Sid Luft, has been attached, pending the outcome of a suit filed against them by attorney Lawrence W. Beilenson, who claims $69,000 in legal fees.

ANKARA, Turkey (AP)—Premier Ismet Inonu of Turkey says he has been approached to act as mediator in the Kashmir dispute.

Inonu, 80, told newsmen Monday both India and Pakistan want him to mediate but he wont decide until Foreign Minister Feridun Cemal Erkin returns from the Central Treaty Organizationmeeting in Washington this week.

SUBWAY TRAIN CATCHES FIRE

NEW YORK (AP) — Fire broke out on a subway shuttle train early today and spread to a wooden platform and several stores in the Grand Central Terminal area. Dense smoke poured from terminal entrances.

Six firemen were injured and at least two other men became ill from smoke poisoning before the blaze was brought under control.

In addition to knocking out service on the shuttle train which operates half a mile between Times Square and Grand Central Terminal, the smoky blaze halted service for 45 minutes on a portion of the Lexington Avenue and Broadway-7th Avenue lines.

The blaze broke out on the shuttle train as it neared the terminal. There was no panic and the few passengers aboard the train got out quickly without injury.

NAHA, Okinawa (AP) — Marine authorities announced today that Sgt. Nicholas Eroyan of Pittsburgh, Pa., died Monday of an apparently self-inflicted bullet wound.

Spokesman said Eroyan's wife and five children live at 1407 Main St. in Pittsburgh. He was the son of Mr. and Mrs. Michael Eroyan of Rt. 1, Berwick, Pa.

Eroyan was found at his unit at Camp Sukiran early Monday. He was pronounced dead shortly after being taken to an Army hospital.

BERLIN (AP) — Two young East Germans rammed a truck through barbed wire barricades on the East Berlin border Monday night, then swam a canal to reach West Berlin.

East German border guards retrieved the truck and repaired the barbed wire.

Toronto baseball mnager Sparky Anderson helped coaching chores with the Washington Senators this spring.

USE STATUS SYMBOLS ON TV FOR SPEED

By CYNTHIA LOWRY
AP Television-Radio Writer

NEW YORK (AP) — Television, limited mostly to half-hour and hour shows, has the perennial problem of establishing characters quickly, effectively and unmistakably.

That is the reason that the medium continues year after year to use a handful of easily identified status symbols.

For instance, very rich people in televisionland drink a lot of hard liquor. It is found in decanters atop a living room bar, near a gleaming ice bucket and ice tongs, which they use.

As the characters move down the social and financial scale, drinking becomes progressively more primitive until we find inhabitants of flop house rooms pouring shots from the bottle into a water glass.

COSTUMES TALK

Women's costumes are often a strong clue to the character's social position. Wealthy women seem to float around the house all day in elaborate chiffon peignoirs, changing only occasionally into street clothes and expensive furs or extravagant ball gowns for a quiet evening at home.

Poor people, it can be noted, spend much time in their kitchens, and eat a lot. The men are likely to be in their shirt sleeves and the women wear practical aprons, and sometimes we see them with their hair in curlers.

RICH ARE DECADENT

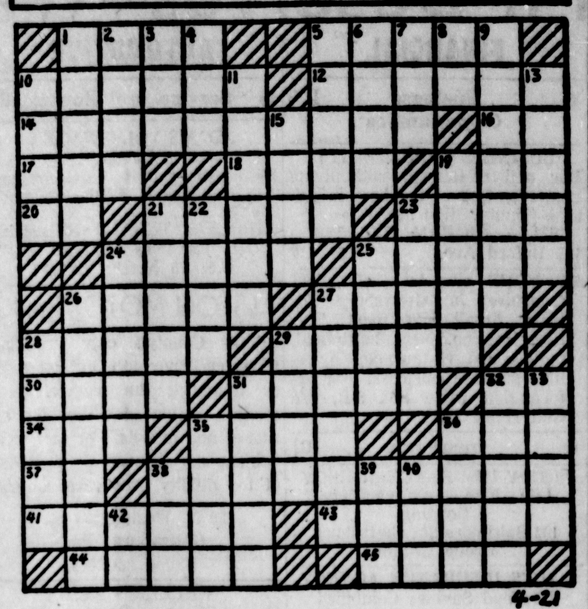

Rich older men, the tycoon type, are usually cigar smokers—big, fat cigars. They almost always wear Homburgs, are rude, and drive around in big, fat limousines. Practically all other rich people drive convertibles, and the richer they are, the bigger the convertible. No one ever takes the key out of the ignition.

Rich women most often are terrible snobs if they are middle-aged or pretty wild and mentally disturbed if they are young. Either type speaks with a broad "a," which instantly denotes private school education.

Rich people have emotional troubles; poor people have financial troubles. Almost always the poor have better characters.

Dallas To Build Memorial To JFK

DALLAS, Tex. (AP)—Workers will begin constructing the John F. Kennedy Memorial Plaza late next year and will complete it early in 1966, County Judge Lew Sterrett said Monday.

The park-like plaza will envelop a one-block area less than two blocks from where President Kennedy was assassinated Nov. 22.

The John F. Kennedy Citizens Memorial Committee of Dallas will pay for any statute or marker placed in the plaza, Sterrett said.

DEMOCRATS' MARGIN LOWER

HARRISBURG (AP) — Democrats will have a registration edge over Republicans of less than one per cent going into the April 28 primary.

Final figures released Monday by the State Elections Bureau showed there are 2,654,404 registered Democrats in Pennsylvania and 2,642,770 Republicans.

The Democratic margin of 11,634 is too insignificant to have much effect on a normal election. It has no effect on a primary election in which the two parties will be nominating candidates.

In the general election last November, Democrats held an 83,013 registration edge over Republicans. In the 1963 primary, the difference was 85,225 in favor of the Democrats.

Reports from Chester and Lackawanna Counties completed the Election Bureau survey for the primary. Chester County showed 66,340 registered Republicans and 23,858 Democrats. Lackawanna County has 95,374 Democrats and 56,163 Republicans.

The GOP leads in registrations in 48 counties, the Democrats in 19. The heaviest Republican lead is in Delaware County where Democrats are outnumbered by 156,848. The heaviest Democratic lead continues to be in Philadelphia with a 215,106 margin.

High Price Convict Gets Pauper's Grave

KANSAS CITY, Mo. (AP)—Crime certainly didn't pay Carl Angus Fry. But it did place a costly price on his head.

Alive, Fry at one time was worth $32,500—in appearance bonds. That was in 1956, when he was tried as a habitual criminal. Police records show 20 of his 39 years were spent behind bars.

Fry was out on $5,000 bond when he was found shot to death in a ditch April 15. Monday, the Clay County Court authorized $70 to give him a pauper's burial at the county home.

Thieves broke into the west end apartment of George Harrison and Ringo Starr while the two were at a show, and escaped with cash, cuff-links and souvenirs worth $500.

Washington

Further improvement in U.S.-Soviet relations should result from plans of President Johnson and Premier Khrushchev to cut back production of nuclear explosives, officials say.

Some members of Congress question Russia's good faith on nuclear cutback. Washington comment tends to split on party lines.

Economic good cheer radiated by President Johnson betokens no early boom. Gains he announced were good but unspectacular.

Mrs. Lyndon B. Johnson, shunning another plane ride in bad weather, makes a 9-hour auto trip from Cleveland to Washington. Car breaks down enroute and she dines at Howard Johnson's.

International

President Osvaldo Dorticos rejects U.S. claims to right to send reconnaissance flights over Cuba. He says Cuba will defend its air space.

PRESIDENT OF BULGARIA DIES

SOFIA, Bulgaria (AP)—President Dimitri Ganev of Bulgaria died Monday night after a long illness, the Bulgarian news agency BTA announced today. He was 71.

Ganev, a founder of the Bulgarian Communist party, served in various high posts under the Stalinist regime after the postwar Communist takeover. He fell from grace in 1952 and lost his post as foreign trade minister.

He returned to politics in 1957 as a member of the party's Politburo and was named president a year later, succeeding the late Georgi Damyanov as chairman of the Presidium of the National Assembly.

The announcement did not describe the nature of Ganev's illness nor give any clue to his successor. It said that three da of mourning would be observed.

SCOTT ASSAILS AID TO EGYPT

WASHINGTON (AP) — U.S. Sen. Hugh Scott, R-Pa., has criticized the Johnson administration for sending aid to Egypt, which, he says, insults the United States and remains hostile to Israel.

Scott, in a Senate speech Monday, congratulated Israel on its 16th anniversary and added that "unless the United States takes concrete steps to insure peace in the Middle East there will be no peace."

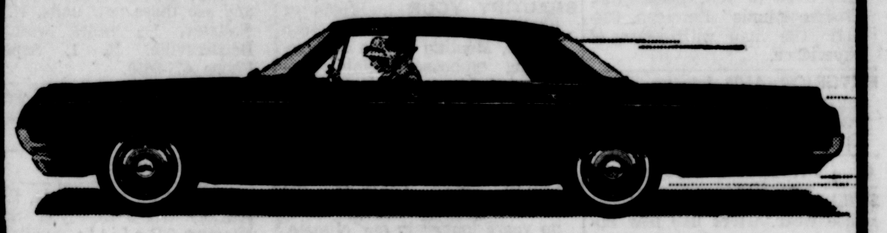

Scott noted that both the House and the Senate have amended past foreign aid bills to prohibit aid to nations preparing aggression against other countries receiving U.S. funds.

Despite this, Scott said, the United States continues to aid Egypt, whose avowed aim is the destruction of Israel.

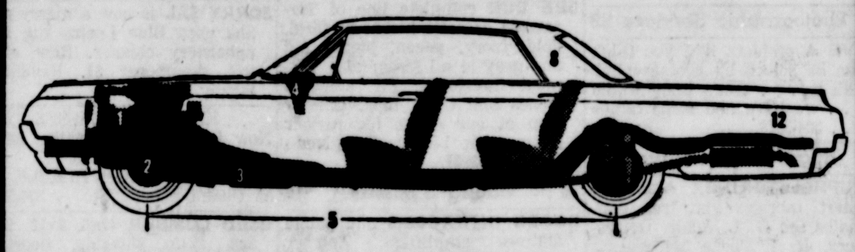

He called for renewed efforts at direct Arab-Israeli peace talks and the possibility of offering a collective defense agreement to Israel and any other Middle East country "willing to accept the obligation of maintaining peace."

Hockey coach Ralph (Cooney) Weiland is in his eighth season as Harvard's golf coach.
